SCHOOL BOARD: *Sitting* — Mrs. Susan Fouts, Joe Woodruff, Mrs. Mary Litsch.
Standing — Don Reichelderfer, Jim Finley, Dr. William Owens, Tilmon Ellison, Howard Cromwell.

School Board

The Board of Education has the difficult task of solving the many important problems that arise in the Middletown School System. The untiring members of this group spend many hours deciding issues which will affect the lives of each student. The students of Middletown High School wish to take this opportunity to express their appreciation for the many services rendered by the Board in their behalf.

One major issue that has been considered for some time is now being realized. In April ground was broken for the new cafeteria and shop building, which will be constructed facing Baltimore Street adjacent to the present high school.

H. R. CROMWELL

B.S., Indiana State Teachers' College

M.S., Ohio State University

University of Colorado, University of Cincinnati

Principal

D. R. BAKER

A.B., Miami University

M.A., University of Cincinnati

Guidance

Mr. H. H. Lawrence, dean of boys, gives advice to Richard Harfst. He helps to solve personal problems as well as school problems.

Miss Mabel Eldridge, dean of girls, gives pointers on how to be a better student to Marcia Aronoff, Frances Danner, and Dana Day.

Miss Helen Hartman, guidance counsellor, explains requirements for entrance to college-bound seniors, Kay Martin, Janet McNabb, and Pat Wendt.

Joanna Roberson, Dan Meeker, Brenda Neal, and Robin Velte study while Miss Eleanor Haueisen, librarian, checks out a book to Jim Liljestrand.

Study

Dinah Stellar and Donna Smith
do some last minute studying

. . . . and Forrest Thomas prepares
for a final examination.

Mrs. Louise McBain gives aid to a student during class study period.

English And Speech

English classes learn rules of grammar and punctuation and practice using these rules by writing themes, essays, and book reports. This knowledge becomes especially helpful in the creative writing course which the seniors may substitute for English grammar. In writing their speeches for presentation in classes and contests, speech students apply the rules learned in English classes.

Mrs. Arlene Akerman explains the vocal structure to Marcia Aronoff and Bill Csellak.

Foreign Language

The light of the ancient Roman civilization is kept alive through active classes of Caesar, Cicero, and Virgil and the Junior Classical League. In many ways the J. C. L. members strive "to hand on the torch of ancient civilization."

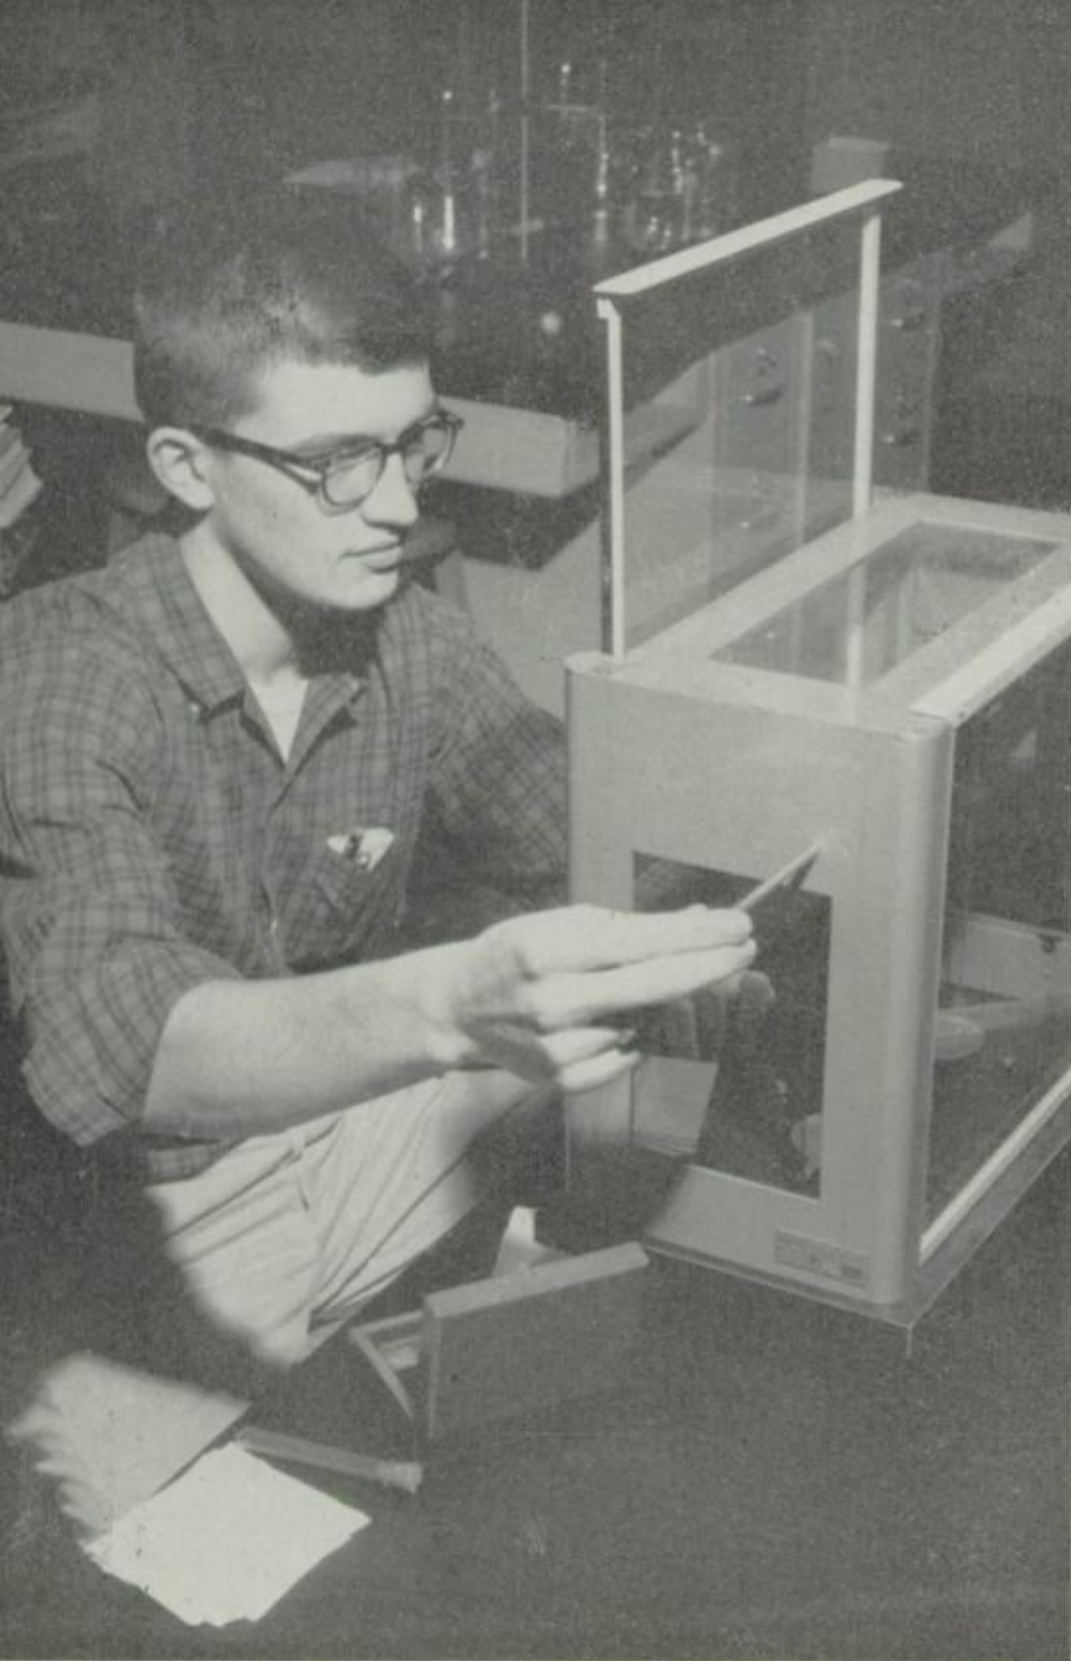

The Spanish and French departments represent the modern use of the Latin language. The Spanish students recently formed a chapter of the Spanish Honor Society. French classes teach the students to appreciate the language and customs of the French people.

Robin Velte, consul, leads the J.C.L.'ers in the initiation rites.

In a formal initiation the Indian Hill Spanish Honor Society welcomes the members of the new M.H.S. chapter.

Jim Liljestrand uses the analytical balance.

Science

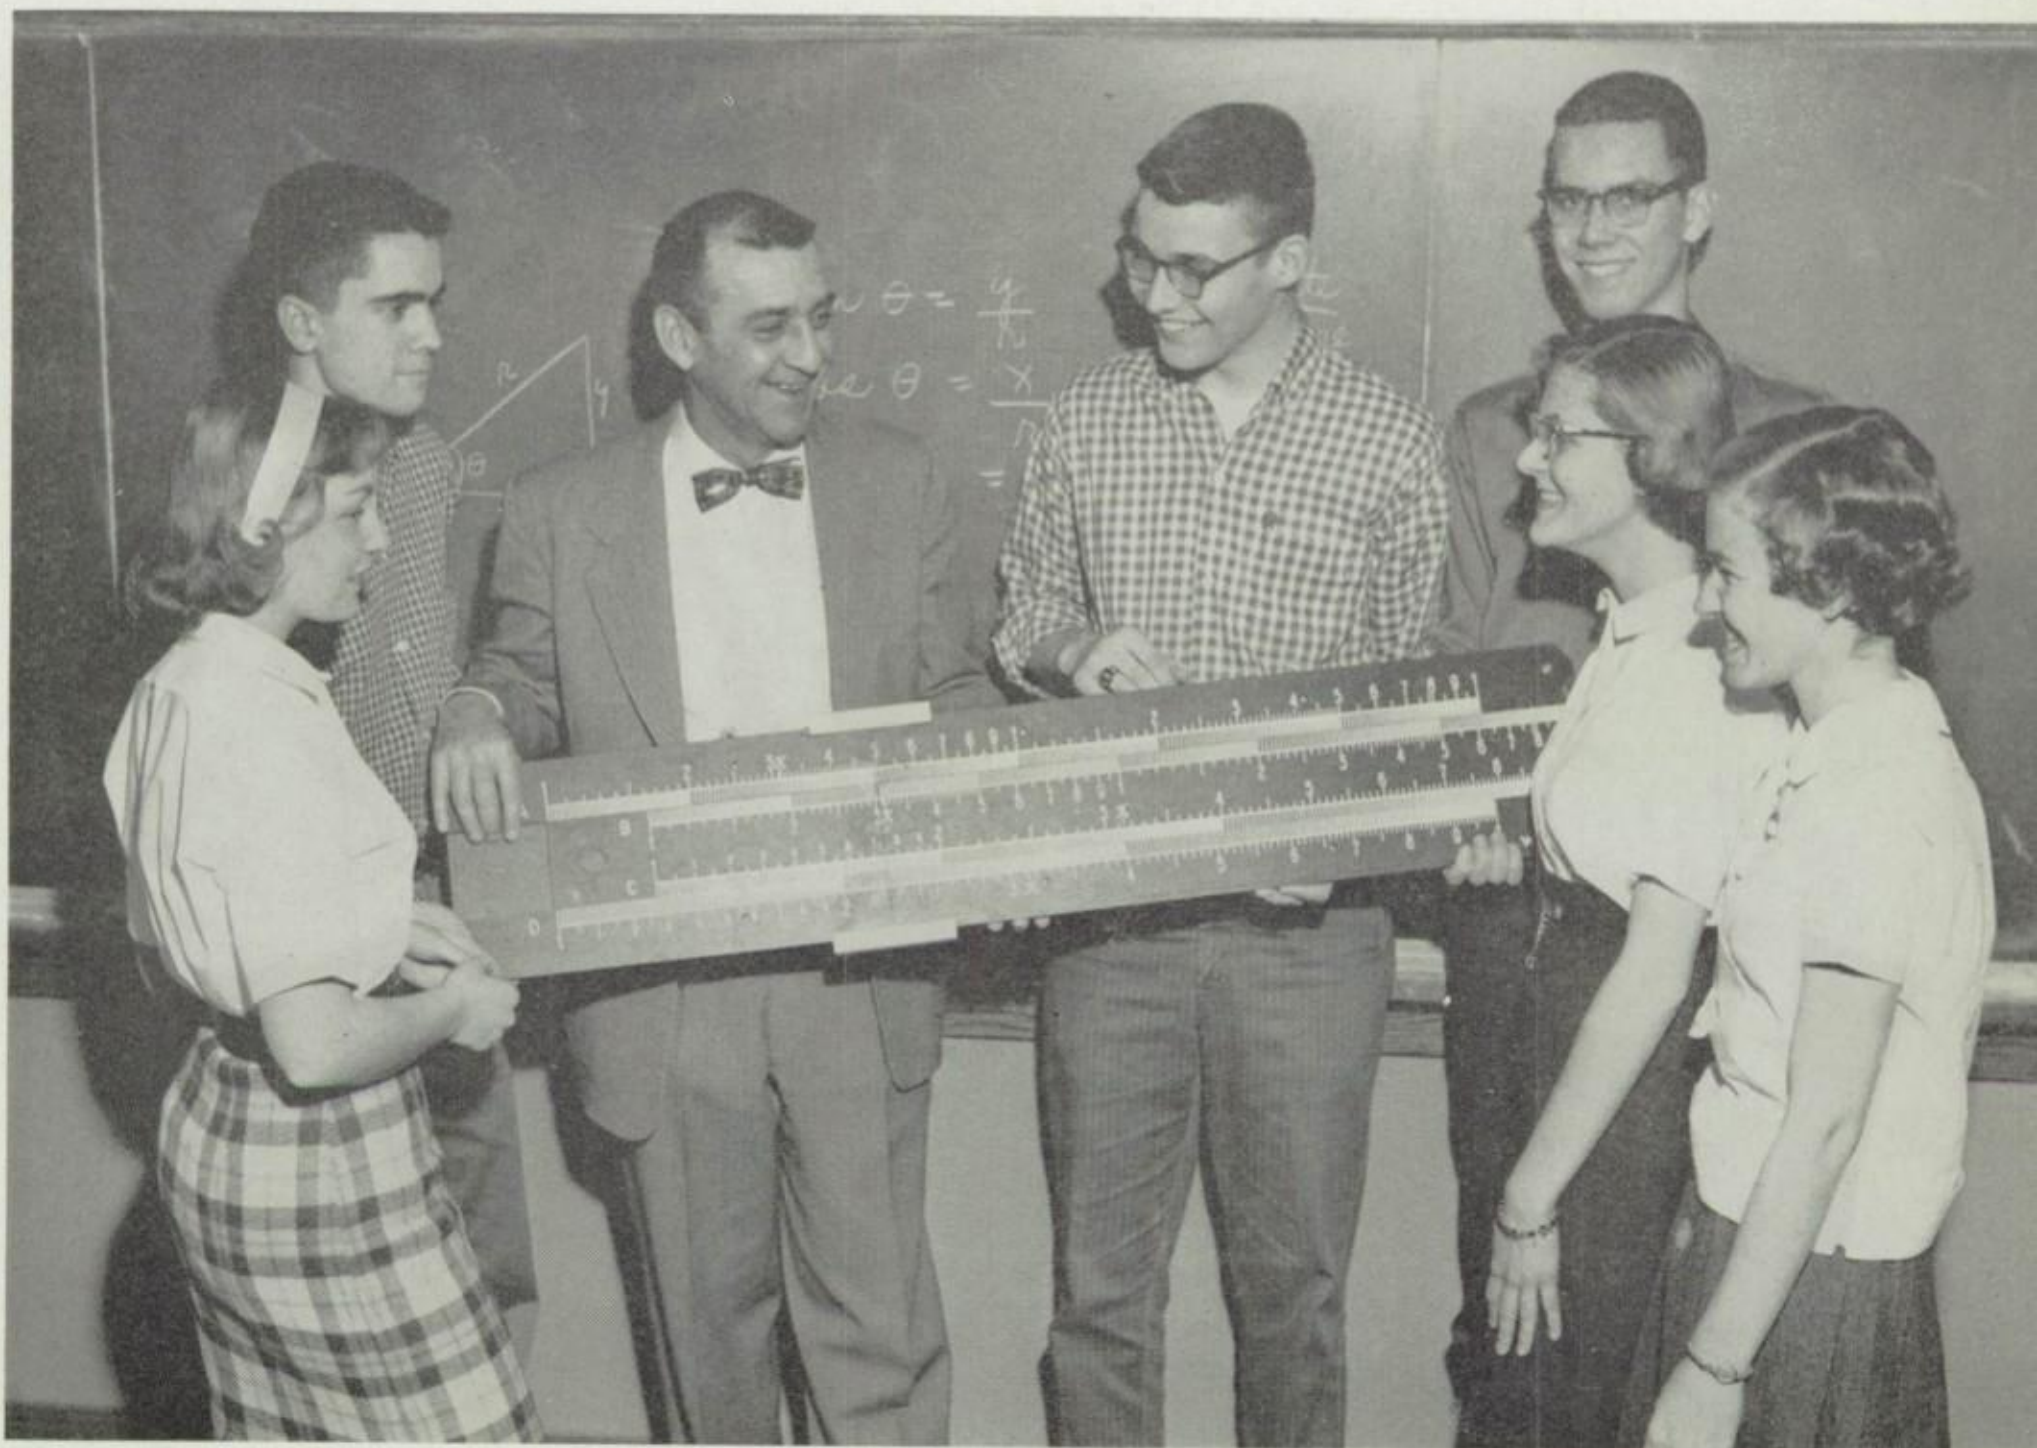

The science department offers biology, chemistry, physiology, and physics. In biology students learn the basic foundation of plant and animal life. Physiology offers those interested in the medical profession an introduction to the human body. Physical properties and reactions are the topics discussed in physics classes. This year the chemistry laboratories were completely re-equipped, and a course in college chemistry was added.

Odes Hensley and Katrina Yingst study Mr. Arcure's collection of lepidoptera.

Mr. Kleinfelder watches Jerry Weinstein and Dick Dempster perform a light intensity experiment.

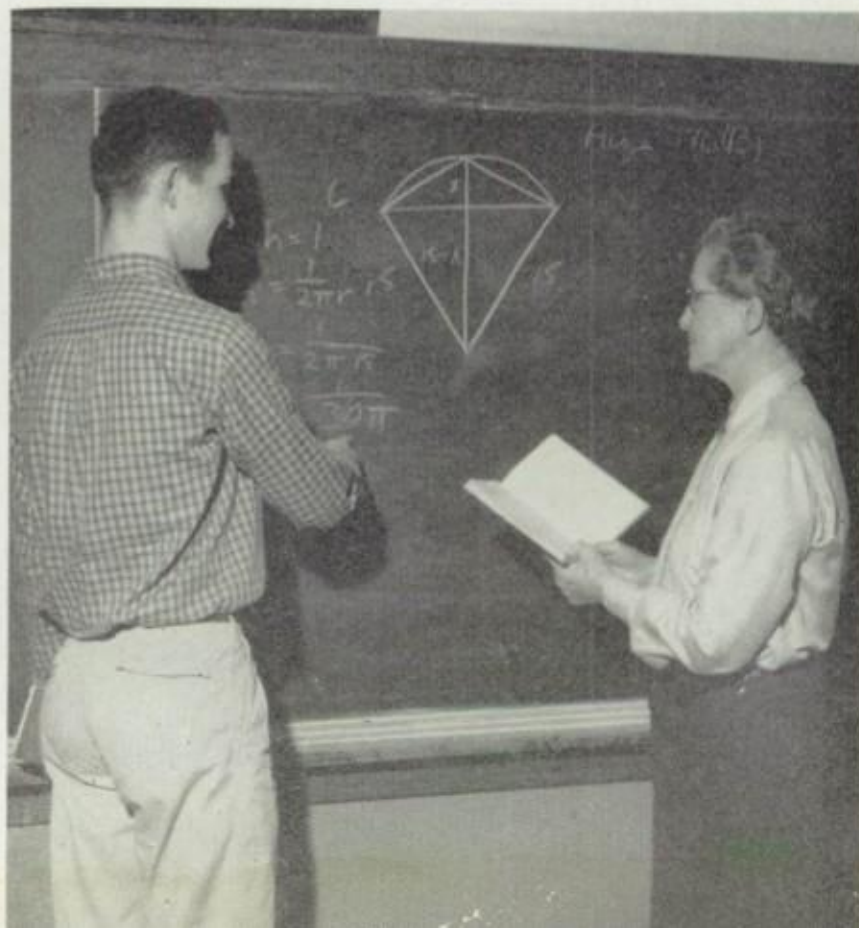

Mr. Harold Norman explains the use of a slide rule to Nancy Hays, Tom Black, Richard Liljestrand, Lowell Franz, Carolyn Woodruff, and Eileen Riesz.

Mathematics

The Mathematics Department has increased greatly in numbers the past two years since so much emphasis has been placed upon science. It is the trend of the times that everyone must have math and science. Miss Kathleen Banker, teaching solid geometry and trigonometry, also paves the way for real work in college. Mr. E. E. Malcom teaches the second year algebra along with plane geometry. Algebra I, plane geometry, and general math students fill the other math classes.

Miss Kathleen Banker helps John Weikel solve a solid geometry problem.

History and Government

Mr. H. H. Lawrence, head of the history department, again supervised the annual trip to Washington, D. C. and re-established the city government internship program. This is a large department because every junior must study American history, and every senior must study American government. Mr. Lawrence predicts many changes to come in future years.

Mr. Donald Ansberry instructs one of his classes in American history.

Linda McGill uses the computer, while Mrs. Thelma Laundry gives Pat Dry advice about typing.

Commercial

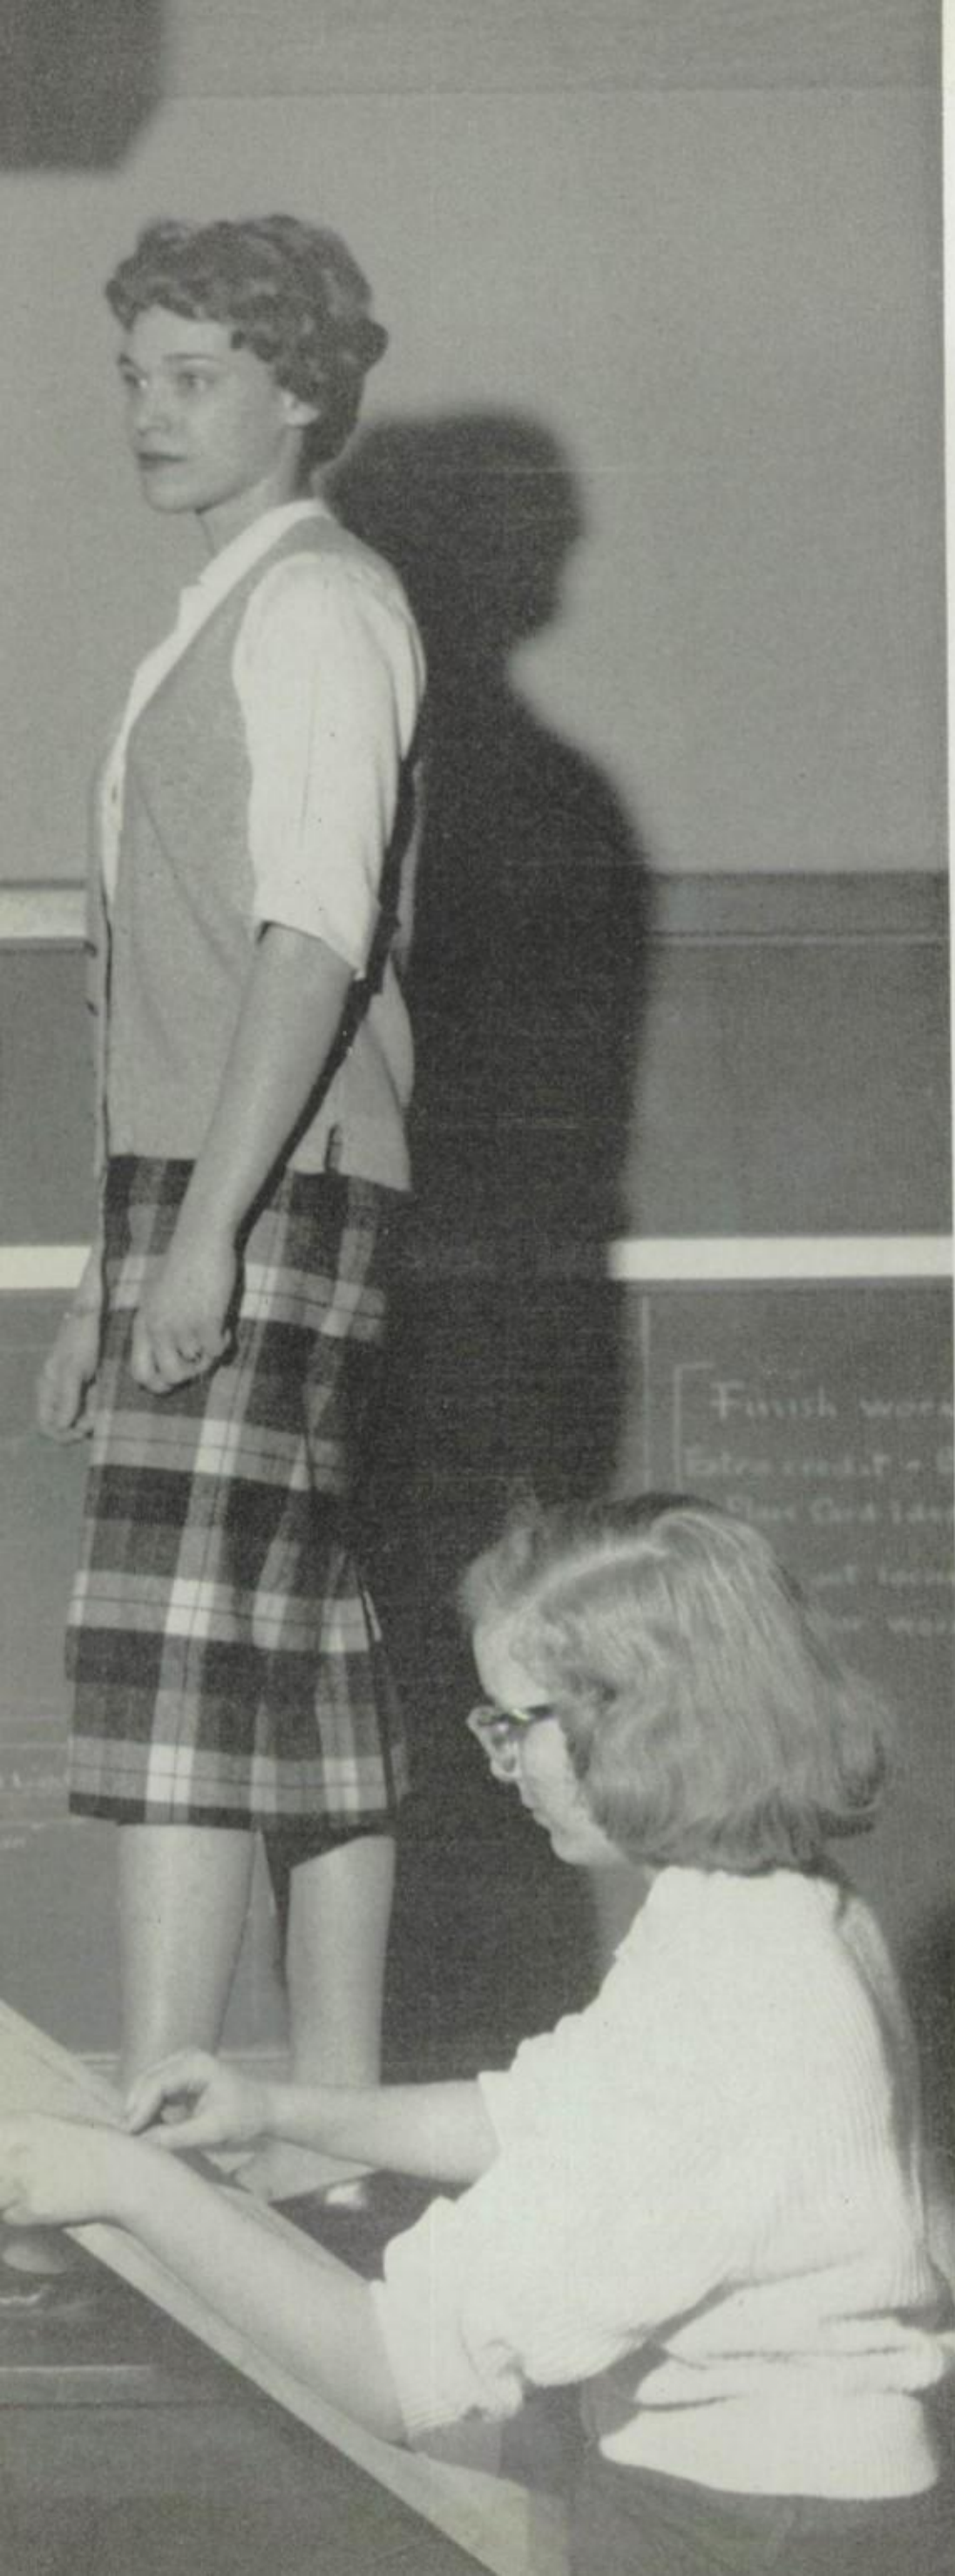

Sally Mason and Janet Phibbs gain practical experience in the Principal's office.

Sandra Erisman, Darlene Jackson, and Margie Profitt do some extra typing for the Optimist.

Art

Ceramics, enameling, linoleum block printing, fashion sketching, drawing, lettering, and painting hold the interest of students in the Art Department. Miss Dorothy Wilson instructs them in the use of color schemes, the drawing of lines and formal balance. Art III classes study about some of the more famous artists.

David Miltenberger makes preparations for an air-brush drawing for the Optimist.

Gretchen Oswald adds the finishing touches to her sketch of Martha O'Neil.

Music

The Band and the Orchestra were under the baton of Mr. Don Francis this year. Miss Helen Weinberger again had charge of the vocal department, featuring the triple trio, mixed chorus, and sophomore girls' glee club. Concerts were given by each group and other appearances were made before local groups.

Elaine Gregory, Barbara Bunnell, Barbara Merrick, and Rodney Barker practice for the annual music contest.

Kay Sams and Patty Zapp give flute tones to the orchestra.

Miss Helen Weinberger accompanies Marlene Apple and Fay Chaney.

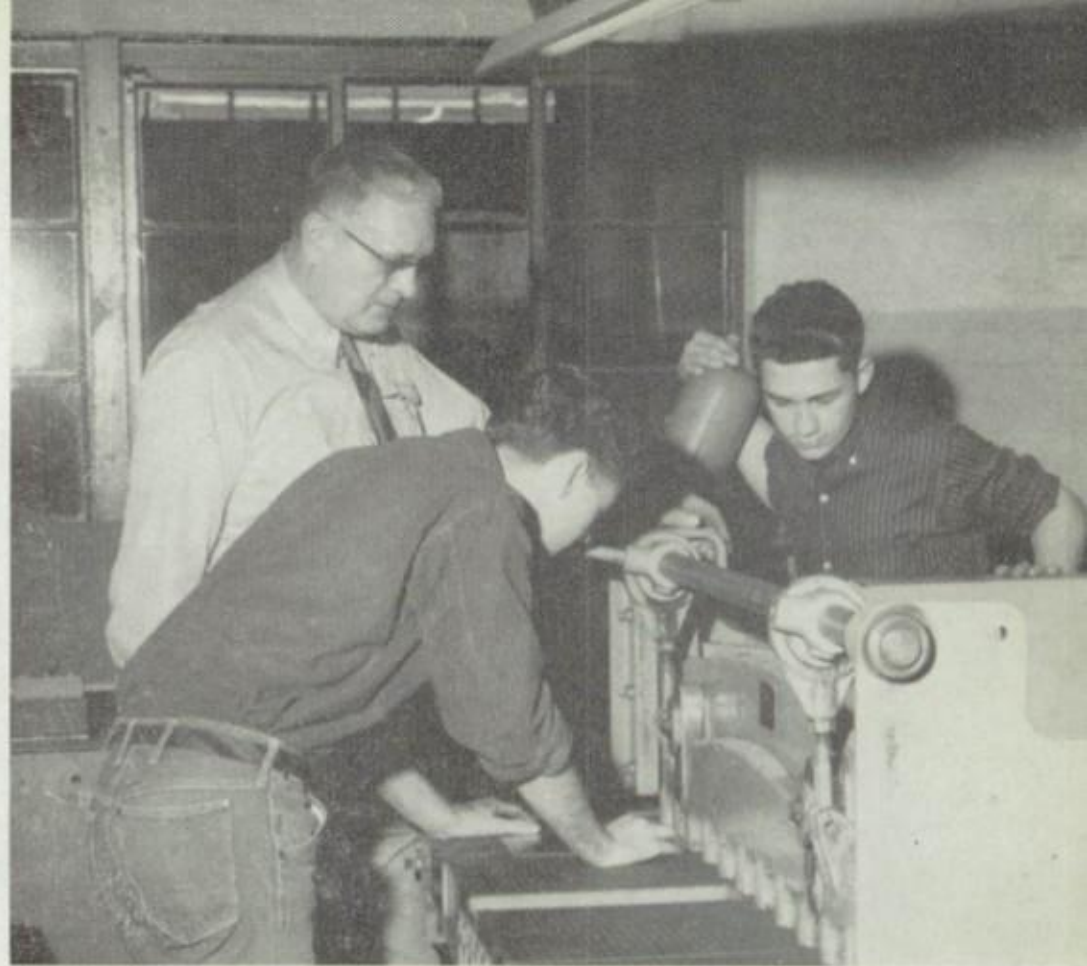

Home Economics

Mike Kahny models the robe she has just finished making while Mrs. Ethel Rammel watches Sally Post, Becky Boxwell, and Joy Popp work on their knitting.

Industrial Arts

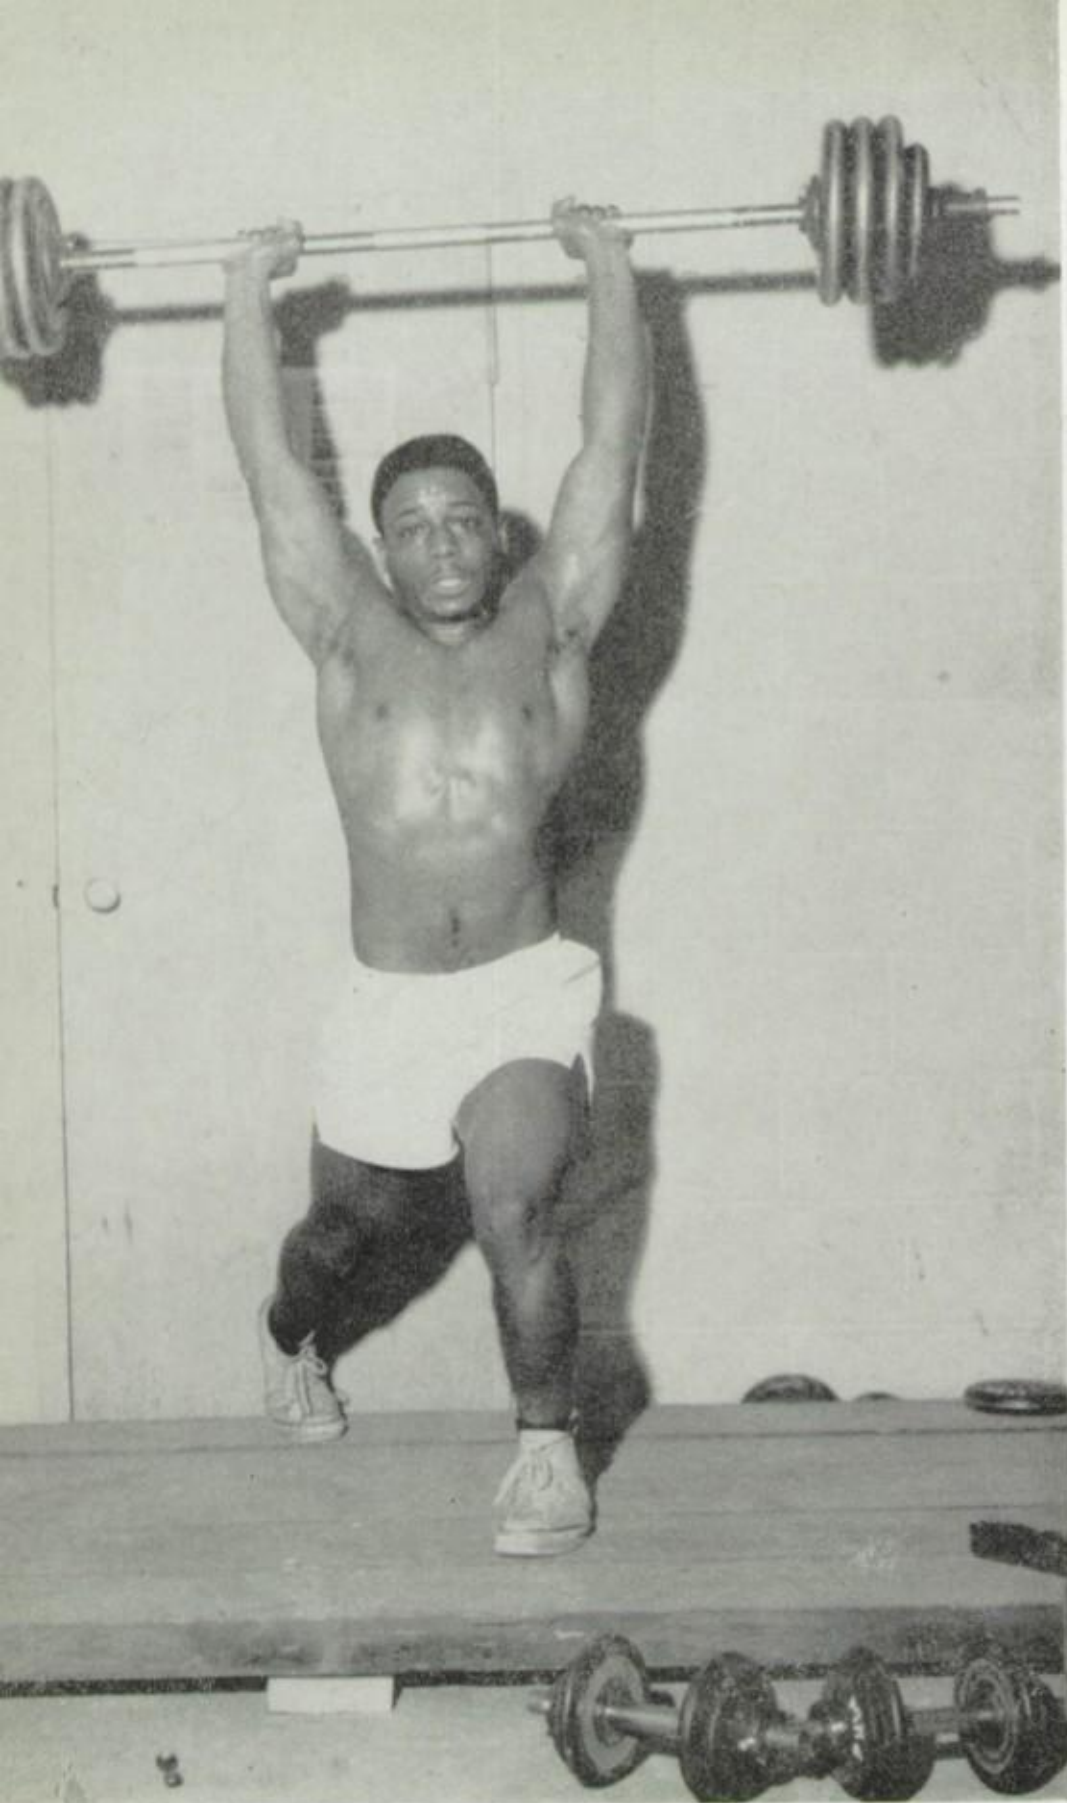

The Industrial Arts Department includes auto, print, metal, wood, electrical, and machine shops in addition to mechanical drawing. These classes give students an opportunity for actual experience while training for future jobs or hobbies. Work for industries is coordinated with work in classes under the direction of Mr. Clyde Pierson, head of the department.

Mr. Ralph Miller supervises while Dave Knapp and Bob Schlobig learn to operate the power sheet metal shear in metal shop.

Mr. Stan Lewis, Danny Snelling, Don Dent, Wayne Moon, and Doug Pitts investigate the "insides" of Glen Harriman's car in auto shop.

Otis Martin tests his strength with 175 lb. barbell.

Physical Education

Mr. Avery Harvill, who came to Middletown High School this year from Ohio State University, has emphasized a concentrated program of wrestling, volleyball, and weight-lifting. He was also responsible for a co-educational program in the gym classes and a re-establishment of the intramural program for the boys.

Mr. Harvill referees as Andy Parrella and William Phillips wrestle.

Joyce Bryant's teammates cheer her on in a fast moving game of kickball.

Physical Education

The girls' gym classes, under the direction of Miss Pat King, for the first time experienced written examinations and tests on physical aptitude. She also introduced a new game, aerial ball.

In Memoriam

WADE E. MILLER

1886 - 1958

Wade E. Miller devoted more than fifty years of his life in guiding youth. He will be remembered always for his enthusiasm, energy, and sincerity. His personal interest in each student and teacher inspired all to do their best. No one will ever be able to measure the extent to which his influence has reached. He was a born teacher, a principal without a peer, and a superintendent recognized among the best.

"With a cheery smile and a wave of the hand,
He has wandered into an unknown land,"

but his words of wisdom and radiant personality will always remain in our hearts.

In Memoriam

HAROLD MASON

1906 - 1959

The soul of the man and the soft ring of his voice and the things he stood for and lived for and taught to the young people who stood around him will live on and on, for those things were clean and pure and wholesome, and such things just do not die.

Somebody else will take his place as end coach for the Middletown Middies, but nobody can ever take his place in the hearts of his fellow coaches and teachers and students.

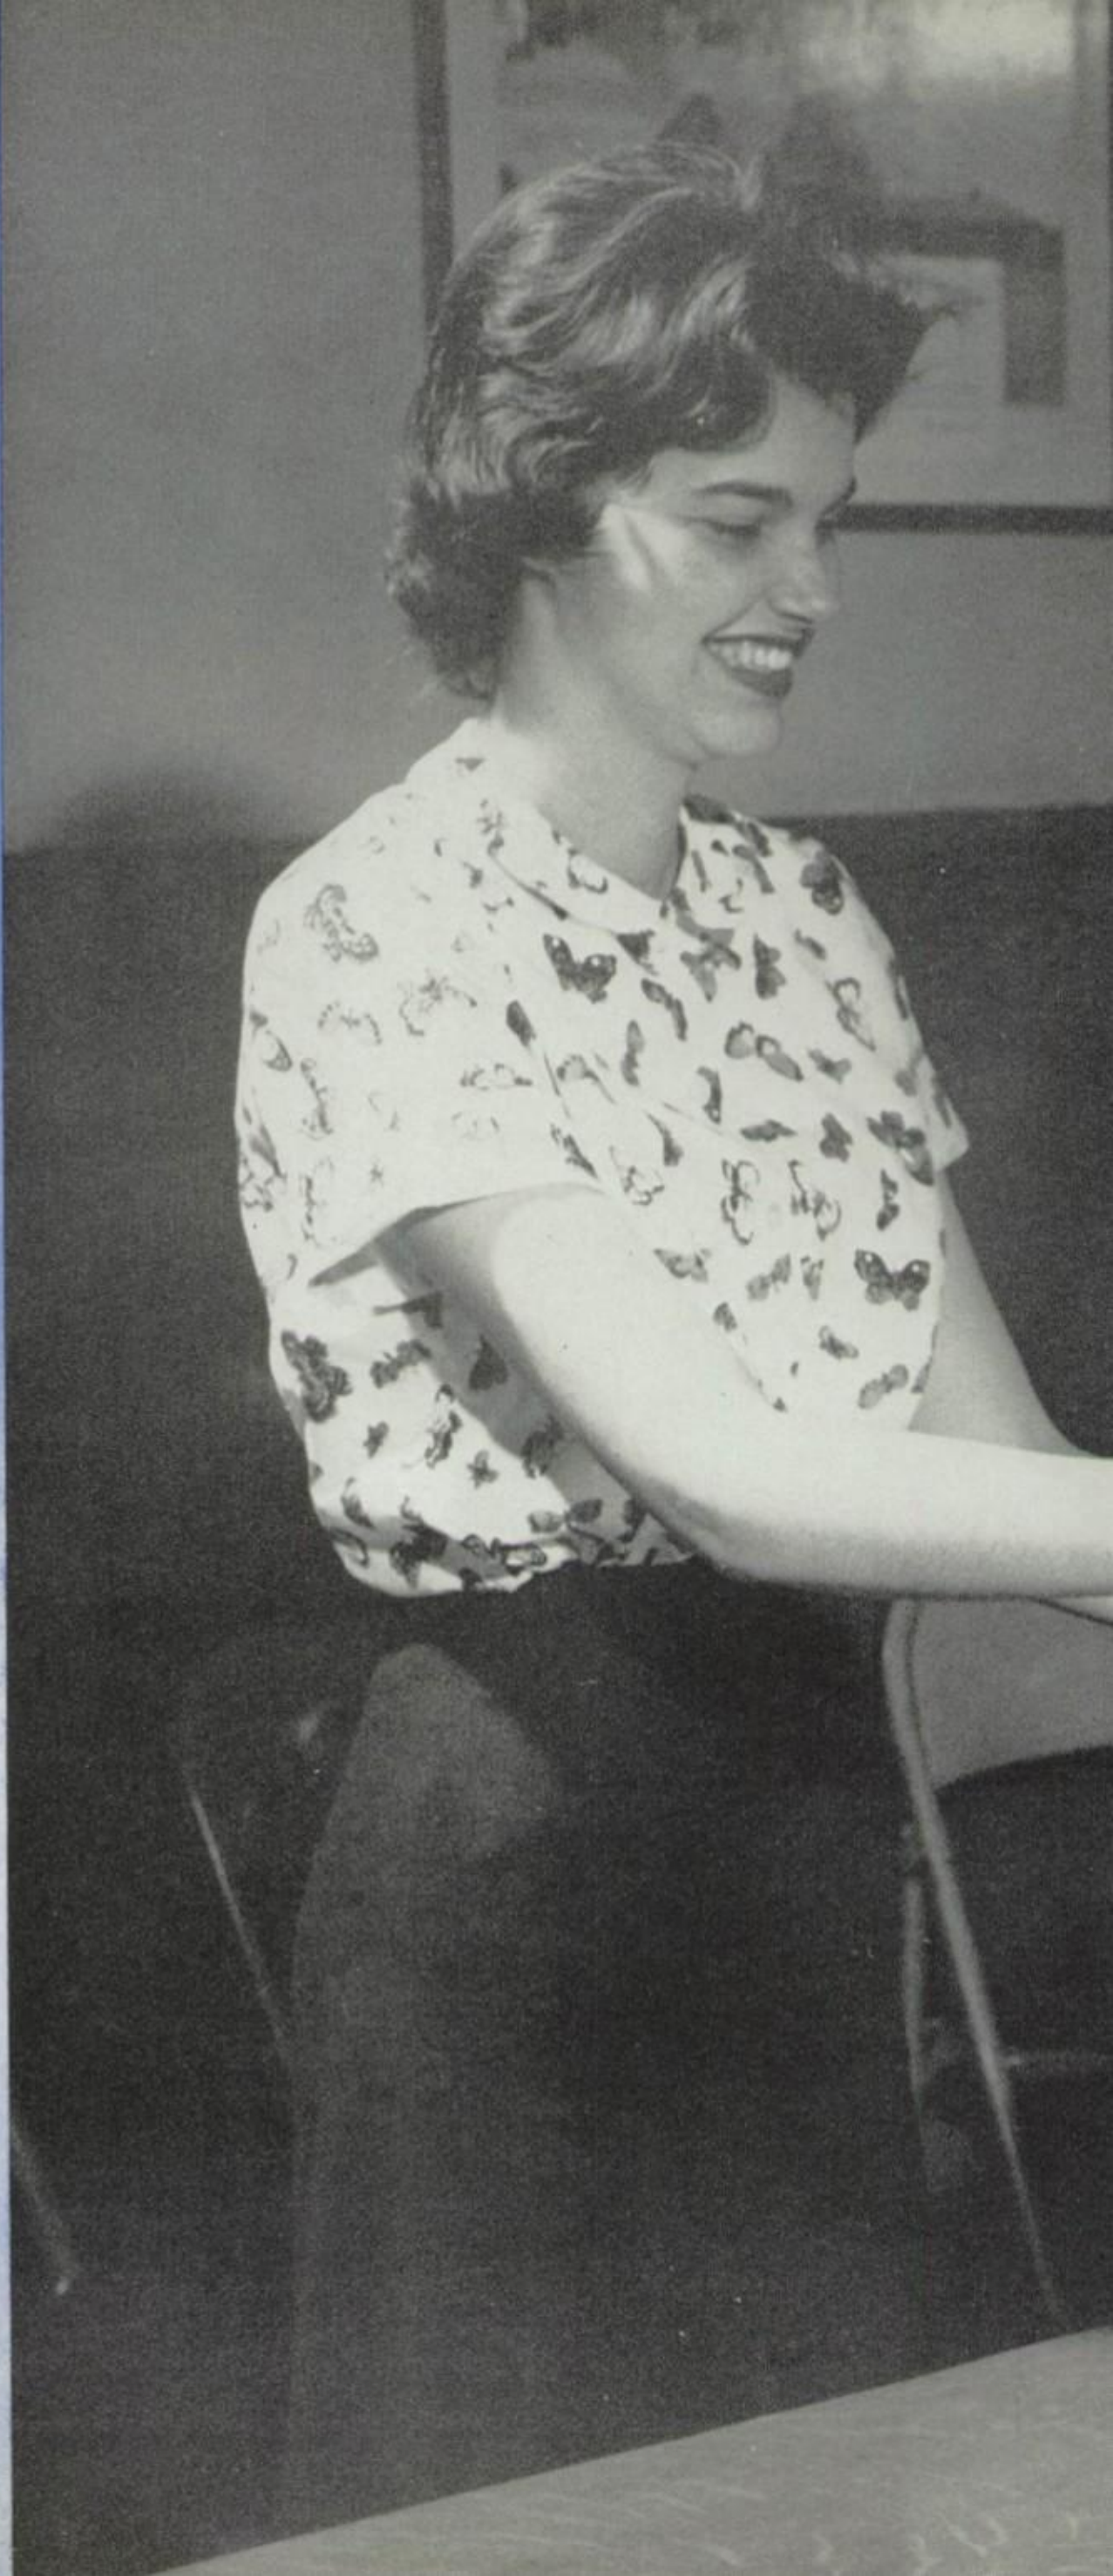

Somewhere out There in this tremendous Scheme of Things, Harold Mason still lives — still teaches — still coaches.

"... though he were dead, yet shall he live." — St. John, 11:25.

Jim Liljestrand, president; Jac Kendall, treasurer; Benny Roberts, sergeant-at-arms; and Bob Baker, vice-president, look over the shoulder of Ruth Ellen Phillips, secretary, as they plan activities for Student Council.

Student Council trains better

THE STUDENT COUNCIL, under the able supervision of Mrs. Barbara Schick, Mrs. Arlene Akerman, and Mr. Edward Malcom, sponsored many worthwhile projects throughout the school year. They took up the annual collection for the support of Kim Sook Ja, the Korean War orphan, whom they had adopted in the name of M. H. S. Members of the Council corresponded regularly with Kim. One of the biggest projects was Homecoming with its parade, halftime ceremonies, and dance. The Council also published a Student Handbook, sent two representatives from each class to the Youth Safety Council, conducted a Lollipop Drive for the benefit of polio, sponsored the Safety Rodeos after the Hamilton-Middletown games, and the filling of food baskets for needy families.

Our Student Council boy, Ronnie DeFrees, is happy to assist the Y-Teens when they are decorating the Christmas tree in the lobby.

Susan Crawford and Karen Barr ask Dan Meeker for a donation for Kim.

A true-to-life court scene is portrayed here with David Miltenberger as bailiff, Kay Martin as judge, Linda McGill as clerk, and Jac Kendall as district attorney.

THE CITY INTERN program sponsored by the Citizens' Club under the direction of Mr. H. H. Lawrence completed its second year in the Middletown City government. Five student members of the Board of Education, five City Commissioners, and one Municipal Judge were elected by the student body in the official manner. The results were announced by the student Board of Elections over WPFB on election night. Then they were ready to "run the city" for a day.

On December 10 the members of the Board of Education attended the meeting of the School Board, the City Commissioners sat in with the Middletown City Commissioners on the controversial flourine issue, Judge Kay Martin presided over her court, and other internists, under student director, John Reeves, reported to their respective department heads for typing, filing, door to door canvassing, and other jobs.

citizens for City Government.

Doctor Millett and Mr. Pat O'Brien go over the city's annual report with City Manager Pacey Mindlin, Director of Law Jim Liljestrand, and Odell Jones, commissioner of inspection.

Claude Baker, Jim Liljestrand, Attorney Tilmon Ellison, Pacey Mindlin, and Bert McClure consider the city budget.

Respect for the flag is shown by Ruth Ellen Phillips, recording secretary; Tom Wolter, vice-president; Kay Martin, president; David Miltenberger, sergeant-at-arms; Pacey Mindlin, treasurer; Pat Wendt, corresponding secretary.

Participation in Government

THE CITIZENS' CLUB, under the direction of Mr. H. H. Lawrence and Mr. Payge Dampier, has again fulfilled its purpose: *To promote better citizenship among the students of M. H. S.* The main project is the student internship program, because by actual participation in *running the city for a day* the interns receive much knowledge and pleasure. For the first time a student director, John Reeves, was appointed. The Citizens' Club presented its annual assembly program in honor of the 150th anniversary of Abraham Lincoln's birthday. In order to finance their projects a dance was given in September.

YOUTH FORUM OFFICERS: Kay Parker, vice-president; Brenda Neal, program chairman; Sandra Hunsicker, president; Dan Wilkins, sergeant-at-arms.

Interest in World Affairs

YOUTH FORUM is an organization for those students who have an avid interest in government and world affairs. At the meetings held on the third Monday of every month guest speakers usually appeared. Highlighting this year's program were representatives from both major political parties, a girl from China who is attending Miami University, and a man from Argentina. The club has no money making projects because the club was created purely to provide an outlet for those eager to make use of the knowledge gained at the meetings. Mr. James L. Fritz is the sponsor.

BUCKEYE BOYS' STATE was again sponsored by the American Legion and held at Camp Perry in June. The Middletown Post #218 sent ten boys. The purpose of Boys' State is to train boys who are willing to learn about governmental functions and participate in them. Three of the boys from Middletown held State offices. Jim Liljestrand and Dave Cox were elected to the Senate and Tom Wolter was clerk of the Senate. The other seven held important city jobs. Not only did these boys learn many new things, but they made wonderful friendships with these outstanding boys who are the leaders from schools all over Ohio.

The special privilege of attending Boys' State was given to Larry Bobbitt, John Weikel, Roger Lawson (who is pointing to Camp Perry on the map), Dave Cox, Jim Downing, Don Reed, Tom Wolter and Jim Liljestrand.

*aroused in the
Buckeye Staters.*

BUCKEYE GIRLS' STATE was held on the Capital University Campus in June. The girls are sponsored by the American Legion Auxiliary. The purpose of this week is to enable the girls to learn about the functions of government on the city, county, and state levels by actually participating in the elections, campaigns, and duties of the particular offices. Marilyn Marshall and Robin Velte were elected to the House of Representatives. Barbara Ellison was assistant attorney in the city. Robin Velte was one of ten girls who received the "Governor Gordon Award" for outstanding all-around participation.

Marilyn Marshall, Barb Ellison, and Robin Velte impatiently await the trip to Columbus.

The National Honor Society

FIFTEEN STUDENTS were tapped into National Honor Society in March of their junior year by the senior members of the organization. These new members were chosen on the basis of scholarship, leadership, character, and service. One must be in the upper third of his class before he can be considered for the honor. In October this year thirty-five more members of the senior class were tapped with the purple and white wands in assembly. Only 15 per cent of the senior class is eligible to join this honorary organization, which this year was led by Robin Velte, president; Don Holmes, vice-president; and Kay Martin, secretary.

The *Optimist* of 1959 attempts to reveal the light, color, activity, inspiration, and emotion which are found within the walls of our school and in the minds of the students. The lights of the photographer reveal our theme, the lamp of knowledge enkindles the hearts and minds of many, the stage and field lights encourage activity, and the lights of the city spur us on to success in the future if we shall only follow the beam.

Co-editors Sharon and Larry discuss their problems as they gaze at the dummy.

QUILL AND SCROLL is an international organization formed to promote higher standards of writing in high school publications. At Middletown High School it is an honorary society whose members must have written a certain number of lines in either the *Middletonian* or the *Optimist*, rank in the upper third of their class scholastically, and be recommended by Miss Mabel Eldridge, adviser of the *Middletonian*, or Miss Veda McCray, adviser of the *Optimist*. The initiation ceremony is held at the yearly meeting in May when the new members are initiated and pinned by the old members.

THE MIDDLETONIAN is a bi-weekly newspaper published by the students of M.H.S. under the supervision of Miss Mabel Eldridge with the help of Mac Tobias as photographer. Every other Saturday morning the editorial staff loads in a car and drives to Franklin, where the paper is printed by the Franklin Chronicle. The articles which have been sent up the previous Wednesday are cut out of a sample sheet and pasted on a dummy copy. The dummy copy is then given to the printers who finish the job. The "Top-Hat" seniors and the feature stories on the second and third pages are the most popular parts of the paper. The Middletonian exchanges papers with many other high schools in the state.

Y-Teens serve

The theme chosen by the Y-Teen officers at the annual retreat at Camp Louella May was "Tomorrow Is Made Today." This year handbooks were published giving the names and addresses of all the Y-Teen members. The Y-Teens render many services to the community each year by participation in drives and by donation of money to various charities. Each triangle also wrapped packages of clothing and food for needy families at Christmas and Thanksgiving. The presidents and program chairmen of each triangle make up the Y-Teen Cabinet, which meets once a month. This year an eighth triangle was added. The eight triangles are Sigma, Lambda, Delta, Gamma, Rho, Epsilon, Iota, and Omega. Completing the year were the traditional Mother-Daughter Tea and the senior farewell picnic at Armco Park.

THE HI-Y COUNCIL is made up of two representatives from each of the eight Hi-Y clubs, headed by Larry Bobbitt, and supervised by Mr. Jack Wiley, Youth Secretary of the Y.M.C.A. The council plans various projects for the clubs such as collecting money for various charities, holding a Christmas party for needy children, helping clean up after the flood damage, selling candy bars for donations to the World Service project, and wrapping trees for Arbor Day.

Hi-Y, the boys' high school branch of the Y.M.C.A., is one of the largest and best organizations in M.H.S. The purpose of this club is to "create, maintain, and extend throughout the home, school, and community high standards of Christian character." Each of the eight clubs, Circle, Croix, Miami, Panther, Star, Torch, Triangle, and Sphinx meet on Thursday nights at the Y.M.C.A. Guest speakers, movies, joint meetings, dances, and hayrides highlight each club's meetings during the year. Leagues are set up in both basketball and football. The two highlights of the year are the formal induction of new members and the installation of new officers at a picnic at Armco Park at the year's end.

Vocational guidance groups

THE NIGHTINGALE CLUB, under the direction of Miss Helen J. Hartman, is a vocational guidance group; they have no social projects. The purpose of this club is to help each girl who has even the slightest interest in nursing decide if it is the right occupation for her. The programs at the monthly meetings indicate all phases of nursing. The girls learn the type of person a nurse must be, the educational requirements, and the different fields of nursing available. The programs consist principally of films, guest speakers, and tours of hospitals in Middletown, Dayton, and Cincinnati. Each senior girl may spend a day with the freshman nursing students at Miami.

THE FUTURE TEACHERS OF AMERICA, another vocational guidance club, is sponsored by Miss Katherine Roudebush. The purpose of this club is to acquaint those interested in teaching with all the opportunities available to them in that profession. The programs consist largely of films and guest speakers such as Miss Helen Hartman and Mr. Thomas Webb. This year a program entitled all who so wished to visit the local elementary schools for half a day and observe teaching methods. The highlight of the year was a panel in which those members of F.T.A. who were also members of the debate classes participated in a discussion on education, diplomas, and all phases of the teaching profession.

THE SCIENCE CLUB, sponsored by Mr. D. C. Yocom, has started a vocational interest series this year. A poll of the club showed that the greatest interest lay in astronomy, engineering, and zoology. At the bi-monthly meetings various persons connected with the above occupations were brought in to explain their lines of work. Some of the speakers were an engineer from Diamond Gardner Quality Control, an engineer from WPFB, a physicist, and radio technicians. Some films were also shown and the group took several trips to Armco Research. One of the major projects this year was the purchase of better weather instruments, books, and a telescope kit.

*and debate
our minds.*

RESOLVED that the United States should adopt the basic essentials of the British system of education. This was the subject for debate this year.

THE MIDDLETOWN DEBATE TEAMS were successful in bringing home two trophies during the season and placing second and third in several other scholastic tournaments. The debate class comprises the nucleus of the debaters, but other students enrolled in Basic Speech are members of the four debate squads. Out of a possible 120 rounds of debate in which the four teams participated, more than 60% of the debates were won.

The debate squads start the year by taking part in a Debate Clinic at Ohio State University in December. Interscholastic debates are then attended through March. They participate in two District Finals and work toward State and National Contests.

This year's debate teams were comprised of two seniors, ten juniors, and four sophomores. Much time is devoted to learning the technique of debate, both conventional and Oregon style, before tournaments begin. Following the season, the time in debate class is devoted to the techniques of discussion and other advanced mechanics of speech.

"A" DEBATE TEAM: Helen Lowry, Drew Selvar, Brian Lennie, and Bob Baker leave for a Debate in a happy frame of mind.

"B" DEBATE TEAM: Mike Finley, Richard Harfst, and Ron Lawrence admire the trophy which Judy Geckeler holds so tenderly.

NATIONAL FORENSIC OFFICERS: Bob Baker, president, shows the latest trophy to Brian Lennie, treasurer; Mardic Crow, secretary; Helen Lowry, clerk; and Pacey Mindlin, vice-president.

NATIONAL THESPIAN OFFICERS: Rusty Reed, president, presents a matter of business to Miss Florence Powell, adviser; Sharon Martin, vice-president; Libby Crane, secretary; Larry Bobbitt, treasurer; and Linda Woodruff, clerk.

N. F. L.

THE NATIONAL FORENSIC LEAGUE is an honorary speech organization comprised of students who actively participate in the various phases of forensic work and who must earn 25 points in order to be initiated into this group. The Middletown chapter has deservedly earned third place in the Western Ohio District. This organization jointly sponsors 15 different tournaments during the year with the Ohio High School Speech League. Claude Baker qualified in Original Oratory to participate in the finals in Miami, Florida. The Prince of Peace and the Voice of Democracy Contests are additional activities of N.F.L. At the annual initiation banquet officers for the next year were elected and the best N.F.L. boy and girl were chosen.

Simple Simon pleads for his life.

THE NATIONAL THESPIANS, under the direction of Miss Florence Powell, presented the following plays this year: "Custer's Last Sit," "Why Can't I Kiss You Goodnight?", "New England Spinster," "Simple Simon," and cuttings from the second act of "Anastasia." The last two were presented more than once. "Simple Simon," in addition to being used as the Initiation Play, was given publicly for the children of Middletown. "Anastasia" won the players a rating of *superior* at the Western Ohio District Festival. It was presented again at the State Finals in Columbus and at the Speech Banquet.

Radio Broadcasting was a major activity of the Thespians. Rusty Reed, Pete Schellenbach, Mardic Crow, and Sharon Cowgill won the right to enter the State Radio Announcing Contest. Other activities included a trip by the members to WLW-D where they were guests at a news broadcast, attendance at Theatre Guild plays, and sending Bob Baker and Mardic Crow to represent Middletown in the Poetry Reading Festival.

Senior Class Play

"ANNIE GET YOUR GUN," a Rogers and Hammerstein Broadway production, was performed by the senior class on November 7, 1958. The audience enjoyed the color and zest of an old time Wild West show in which Annie Oakley and Frank Butler showed their skill at sharp shooting. Annie with the help of "Papa Bull" realized that you couldn't get a man with a gun and lost a shooting match on purpose in order to get Frank Butler. Annie, who was shy and awkward, learned how to become a sophisticated lady.

Junior Class Play

"YOU CAN'T TAKE IT WITH YOU" was presented on January 13, 1959 by the junior class. This celebrated modern comedy kept the audience laughing continuously. In contrast to the delightful Sycamore family are the unhappy Kirbys. Tony Kirby falls in love with Alice Sycamore, and trouble begins until the Kirbys are converted to an easy-going life like the Sycamores. All through the play there are strange activities by certain members of the Sycamore family including everything from the manufacturing of fireworks to Essie's dancing career and the raising of "live" snakes.

"NIGHT OF JANUARY 16TH," the sophomore class play, was presented on May 6, 1958. The action took place in the Superior Court of New York City where Karen Andre was accused of murdering Mr. Faulkner. The play was full of suspense and drama. It was a play in which part of the audience came up on the stage to act as the jury. The operetta tells the story of a young prince who went to Heidelberg to attend college. Prince Karl Franz fell in love with Kathie, the barmaid, and life at Heidelberg, but duty called him back to his castle and the Princess Margaret.

Slave Dennis Block seems to enjoy serving wine to the Roman ladies.

THE ROMAN BANQUET is the main project of the Junior Classical League. All year the students enrolled in the Latin classes eagerly looking forward to the night when they shall be served by slaves, wined and dined without the aid of silverware, and entertained in true Roman style by dancers, singers, musicians, and actors. All guests come dressed in Roman togas and stolas, while the slaves wear colorful tunics. On their feet they must wear sandals. Large trays of food are carried among the guests that they may see what they shall eat - everything from eggs to apples. Of course no potatoes, tomatoes, oranges, corn, butter, or sugar may be used because the Romans did not have them. Roman cheese cakes are a special favorite. The offering of the sacrifice of meal, salt, and wine to the gods by the consul between courses is an important ceremony. It is lots of fun to be a Roman.

Roman customs entertain students.

Miss McCray looks on as Consul Dearth shakes the helmet to determine by lot the order of the presentation of the skits.

Martha Davis and Bill Warwick seem to be torturing Slave Jim Liljestrand when they present their skit to entertain the guests.

Garcons (Rusty Reed, Bruce Bedford, and Denny Mardas) served the guests at the French banquet.

Mademoiselle Jacqueline Dietemann from Strasbourg, France entertained them with French stories.

Modern Languages offer fun and facts.

THE FRENCH BANQUET is attended each year by students in the French classes, former French students of M.H.S., and French students from Roosevelt. Important items on the menu are onion soup and French bread served by garcons. French atmosphere is produced by background music of popular French songs, group singing of French folk songs, and all conversation supposedly is carried on in French. A student from France who is studying at Miami University is usually the featured speaker.

THE SPANISH BANQUET was held April 14th to celebrate Pan-American Day. Amid flags of the various nations there assembled about seventy-five gaily dressed señoritas and señores who enjoyed a delicious dinner followed by a program of music and magic. The "Los Escogidos" chapter of the Spanish National Society was installed at Middletown this year with the following officers: Myra Getz, president; Georgia Storey, vice-president; Walter Blevins, secretary; Dan Reedy, treasurer.

Saralee Harvey, Jim Forster, Gretchen Reichelderfer, Tim Yoder, and Robin Grubbs model Spanish outfits worn at the banquet.

Gayle Humston, Myra Getz, Linda Heck, and Dale Wood add finishing touches to decorations while Roy Lucas climbs to the balcony to assist.

With January came the Prom-bustling in on a cold, winter wind. Our ideas mingled with the snowflakes and finally settled. We had it. Now Saturdays took a new meaning. The embryo of our pencil sketches and isms finally took shape. Bob found out more about the structure of the gym than the architect. We all learned the art of climbing walls and cleaning sinks knee deep in paint. At last with the May flowers our Prom blossomed into one of the best ever — Around the World in Eighty Days.

The Prom Jubilee, lasting from midnight until dawn, is sponsored by parents, students, and friends of M.H.S. The Jubilee begins with a premiere movie presented by the Paramount Theater, followed by a motorcade to LeSourdsville Lake escorted by Middletown police, and dancing 'til dawn to a name band with a delicious breakfast as a climax to the event. The committee begins work on the Jubilee in December, continuing through May. Since it is sponsored by the whole community, there are no faculty advisers.

For years Elmo Lingrel has been the unheralded man behind the scenes. It is his unceasing work which produces the fine athletic records of Middletown High.

Football

When the chips are down and the jig is up and the time has come for you to do or die for something you believe in with all your heart and soul, I sincerely hope you can respond to the challenge the way Middletown's greatest "Comeback Kids" this past fall rallied to the cause and wrote another winning season into the long annals of Middie football. With only one little victory and four big defeats haunting every footstep, the local lads leaped into the October backstretch and drove down the November homestretch making every post a winner as they introduced to Ohio football their wide-open "Lonesome Polecat" offense.

Our little All-America city was openmouthed and wide-eyed at the whirlwind wind-up to the season, and they proceeded to give credit for the surprising comeback to the "Lonesome Polecat," but I wish to place a little bug gently into your big ear: The "Polecat" was successful ONLY because a tremendous band of BATTLING BOYS showed the little BEAST how to RUN and where to GO!

Fairmont 12 — Middletown 2

Opening the season at Dayton Fairmont, the 1958 Middletown football team was no more successful than their three preceding counterparts. The new football gridmen, loaded with great potential, for the fourth straight year failed to vanquish the Fairmont Dragons. The two opposing teams spent the first half locked in a defensive battle. Defensively the Middies surpassed their Dragon opponents, but placed a poor second offensively. With the defense carrying the full load, the Middies saw the half end with the score tied 0 - 0.

Midway through the third quarter the Dragons came to life and were not to be denied their victory. With two tallies, one on a 99 yard drive and the other on a 57 yard drive, the Dragons stole a 12-0 margin from the bewildered Middies. Fighting desperately to overcome the deficit, the Middie offense succeeded only in handing the ball over to the Dragons. Then with the clock running out, the Fairmont team, perhaps feeling generous, chose to give the Middies the sole points they were to get. The Dragons allowed the Middies to trap the Fairmont carrier behind the goal, and the game ended 12-2.

Middletown 6 — Newark 6

In their first home game the Middies fared little better than on the preceding Friday night. At Barnitz Stadium, spirits slightly dampened by the loss of the first game, "Tiger" Ellison's talented footballers had to settle for a tie at the hands of the Newark Wildcats.

Newark drew first blood early in the second quarter by taking the pigskin some 90 yards for six points. Roger Lawson, the greatest guard since Dorsey Blankenship, then blocked the points after touchdown and thus saved the Middies from losing their second straight. The Middies came back to score in the third quarter, after reeling off 12 plays for six points. Jim Gates packed the ball over and tied the game 6-6. In the final stanza the Middies approached the 11 yard line of Newark territory, only to have one of Don Reed's passes intercepted. Newark maintained possession of the ball, and the game ended deadlocked 6-6.

Sophomore Ken Bryant breaks away in one of his many sensational drives.

Middletown 21 — Hughes 20

The Middies finally succeeded in their bid for victory by beating Cincinnati Hughes 21-20 in their third outing of the season. Invading Hughes territory the Middies executed their one point victory before an amazing crowd of 500 fans.

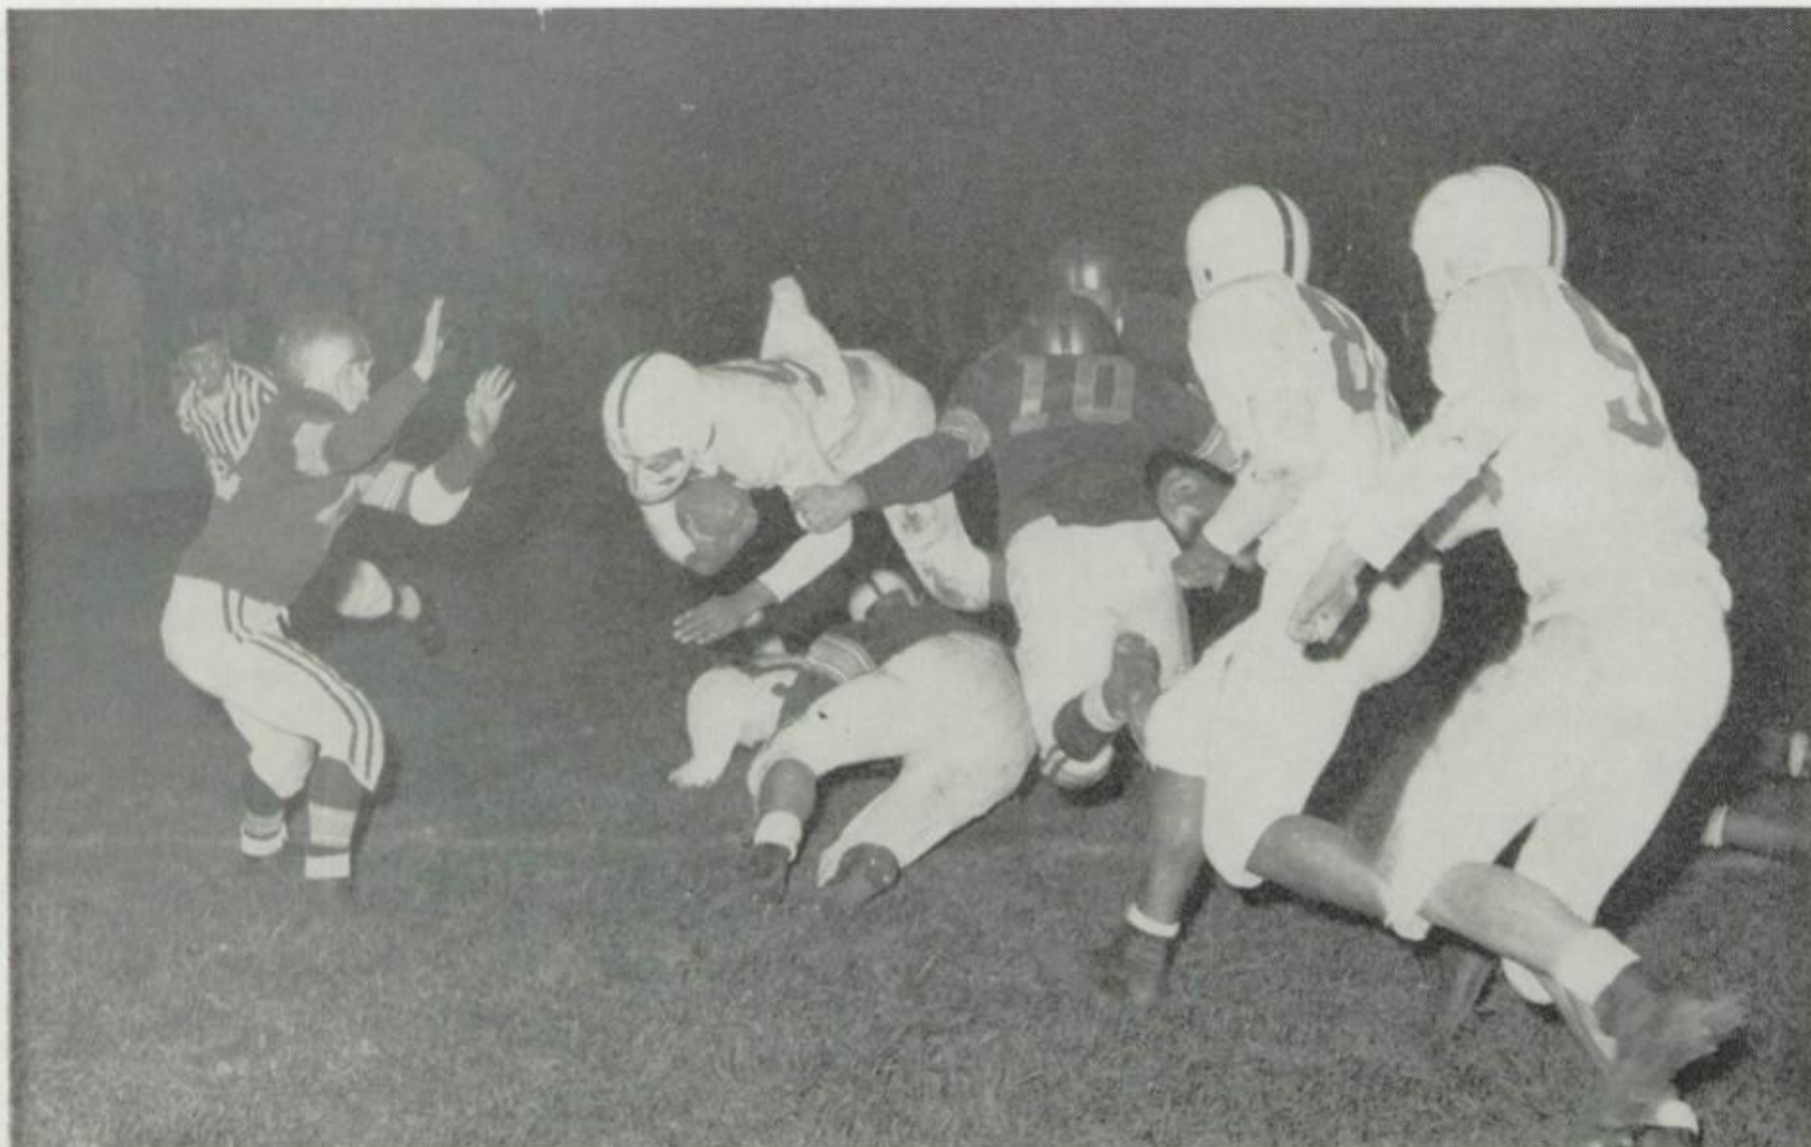

The Middies were the first to enter the scoring column, marking up 7 points on an all out effort by Fullback Jim Walker. He carried the ball over from the 1 yard line and then booted one more point through the uprights.

The Hughes team, however, was not out of the picture yet. When the half ended Hughes had picked up 14 points to lead 14-7. Quarterback Peters passed to Larry Hughes for one T. D. and Halfback Hodges carried the ball 74 yards for another.

Taking the ball on the 55 yard line in the third quarter, the Middies scored on a six-play drive. They picked up their final points when Steve Watson scooped up a blocked punt on the 3 yard line and ran the last three yards for a T. D. The Hughes Big Red scored 6 more points, but in the final tally they found themselves two points from a victory and one from a tie.

Middie defenders completely smother a helpless member of the opposition.

Springfield 8 — Middletown 6

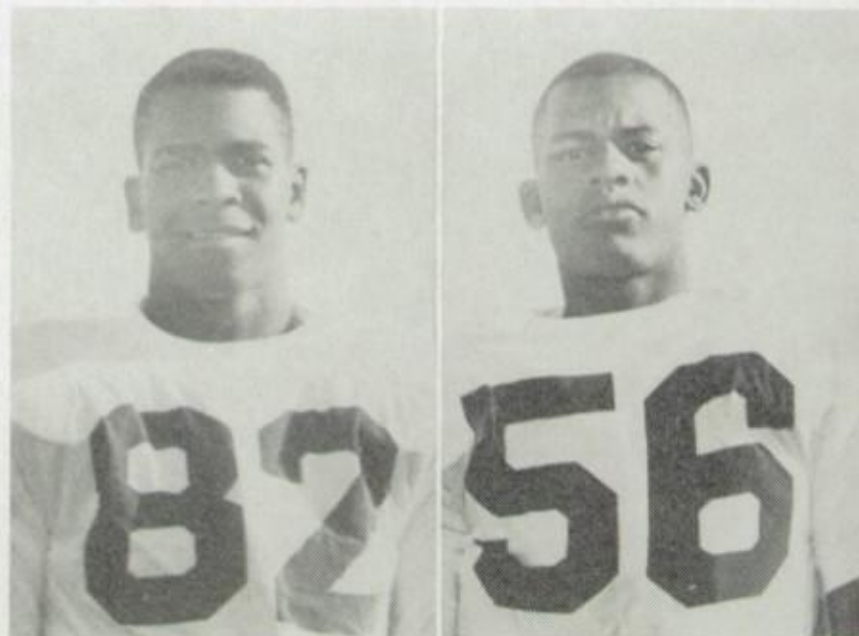

In their fourth pigskin battle of the season the Middies played host to a very rugged and talented Springfield Eleven. Defensively the Middies were brilliant and quite impressive, but offensively made a most discouraging gain of minus two yards.

In the first half neither team scored, and this scoreless pace continued on through the third quarter. Finally in a third quarter rally the Middies marked up the first score on the Barnitz Stadium scoreboard, but they failed to convert the extra points and so led 6-0 at the end of the third canto.

The Wildcats were determined, however, to keep their undefeated season. Aided by a transfer student, Billy Glenn, the Springfield 'Cats came back to completely baffle the Middies' prize defense. Glenn danced circles around three bewildered Middie gridmen and waltzed unrestrained for 45 yards to score. They gained the extra two points and held onto their two point victory over the very resisting Middies.

Portsmouth 12 — Middletown 8

In their fifth game of the season the Middies invaded Portsmouth territory hoping for their second win of the season, however, the Portsmouth "11," ever mindful of the Portsmouth loss of 1957, were thirsting for revenge.

For the first quarter and most of the second the Middie defense held the Trojans scoreless, but with two minutes left, the Portsmouth players tallied on a 76 yard drive. In the third quarter the "River Rats" tallied once more and led at the end of the third canto 12-0.

Once more the Middies found themselves losing, so striving valiantly they recovered a fumble, and eight plays later, Jim Gates burst through the Trojan defenders and narrowed the margin to 12-6. Sophomore Ken Bryant dashed over the goal line for 2 more points, and the Middies trailed by only four. The Middies had the ball twice more, but the clock made its last revolution with the Middies losing 12-8.

Lima 14 — Middletown 8

On Homecoming Night the Middletown knights of the gridiron had little to offer to the most royal Queen Mary Lou Hicks and her court. In the first half the Purple-White players had the ball twice and were forced to punt both times. The Lima team took advantage of the second punt. Ken Hefner supplied 6 points and his team-mate, Neu-meir, added 2 more, giving the Lima Spartans an 8-0 lead at the halftime period.

The Middies, fighting desperately to overcome the 8 point deficit, took the second half kickoff and covered 67 yards for the T. D. "Tig" Ellison then uncovered a new type of spread, the "Lone-some Polecat," in which he scattered the team far and wide over the football field. Baffling the Spartan defense, the Middies utilized the new type of spread to add 2 points to their total. With the score tied the Spartans once more fought back to score another T. D. and to regain the lead with a 14-8 score. This proved to be the final score, even though the Middies had marched up to the Lima 2 yard line as the final buzzer sounded ending the game.

Middletown 24 — Roosevelt 14

Finding a good thing in his "Lonesome Polecat" spread, "Tiger" Ellison paced his eager students of the gridiron to a 24-14 pasting over the Dayton Roosevelt Teddies. Still troubled by their seemingly inferior offense the Middies called forth their newly found source of life, and with the "Polecat's" help, the Purple-Whites pulled forth their second win in seven starts.

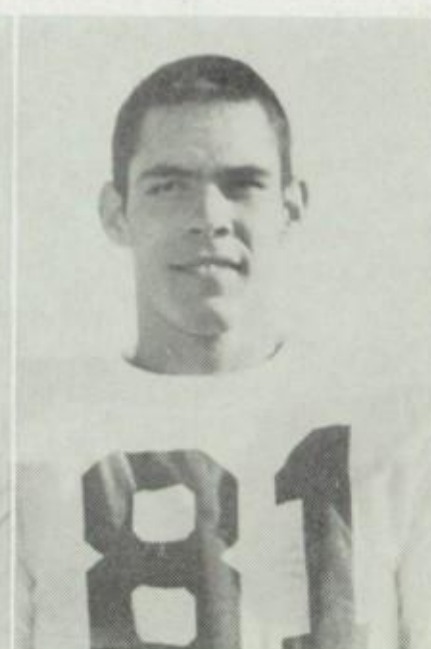

In the first half inspired by the bewilderment of the Teddies' defense, Don Reed connected on four straight passes and reaped 6 points for his efforts. This marker came on an aerial to Roy Lucas, all-state end, who then caught another pass to lead the Middies to an 8-0 margin at halftime.

In the second half the Teddies tallied a total of 14 points, but the Middies were not to be denied their second victory of the season. Using the "Lonesome Polecat" spread as their backbone, the Middies went on to pick up two more touch downs and four extra points to give them a 24-14 victory.

Middletown 20 *Cincinnati Central 8*

Rejoicing in their 24-14 victory over Dayton Roosevelt, the Middies prepared to face the Knights of Cincinnati Central and to gain their first victory on home soil, their third of the season.

Once again the Middie offense was in constant trouble, and they called upon the help of their successful "Lonesome Polecat" spread. Taking to the air the Purple-White team tallied once in the first quarter. The Knights tallied eight points in the second canto and led 8-6 at the half-time period.

A second-half club, the Middies sought to overcome a margin of 2 points. Overcome the margin they did, and established a 20-8 margin for themselves before the game ended. George Lee accounted for six points by carrying a blocked punt over the goal line, and Jim Walker supplied the punch for the second tally. Walker covered 51 yards in two plays, and Jim Gates carried the ball over for 6 more points. The Middie "Gator," Jim Gates, added the extra two points and the Middies captured their third win 20-8.

Middletown 20 *Columbus North 8*

Remembering the bitter defeat the Columbus North team handed the Middies of basketball fame, the Middie gridmen were more than ready to do their best to send the North team down to defeat. When the game ended the men of the pigskin had countered the loss by the men of the round ball with a beautiful football win.

The Middies opened the almost one-sided game by taking the ball on their own 34 and ripping the Cub defense to pieces. The Middies finally tallied on a 13 yard run by Jim Gates and then picked up one more point to lead 7-0. In the second half the slaughter continued as once more the Middies scored, this time by running a 22 yard punt home to pay dirt. In the third quarter they scored again and led 20-0 at the end of this third period.

North, not wishing to be completely white-washed, then struggled on to obtain their sole 8 points. In the final period the Cubs played control ball and rolled off 24 plays within 12 minutes. Their efforts were in vain and the game ended with the Middies winning 20-8.

Butler Bowl Finale

In the final game of the season and the final game of a great traditional series, the Middletown Middies were victorious in ending their great rivalry toward Hamilton with a 22-20 victory. Emotions varied after the game; the Middies jubilant over their victory, and Hamilton saddened by their loss. Even though losing their last football game with Middletown, Hamilton should be quite proud in having established a record of 18 wins, 15 losses, and 3 ties over Middletown. The Middies, on the other hand, should by no means be ashamed of their record. They afforded great competition for the Big Blue and were very brilliant in winning their last game with Hamilton.

Middletown 22
Hamilton 20

In the first half the Middies scored twice, the Big Blue once. Don Reed flipped aerals for both scores, once to Jim Walker and then to Roy Lucas. At the end of the first half, the Middies had established a not too comfortable margin of 8 points.

In the second half Hamilton, bringing forth a desire true of Hamilton players, utilized brilliant plays and determination to get within two points of the Middies' total. Hamilton picked up 14 points, compared to the Middies 8 in the last half, but the Middie margin proved to be enough. When the game ended Hamilton was forced to settle for a 2 point loss, and thus closed the books of a truly memorable and great series, matched by few rivalries and surpassed by none.

Columbus South

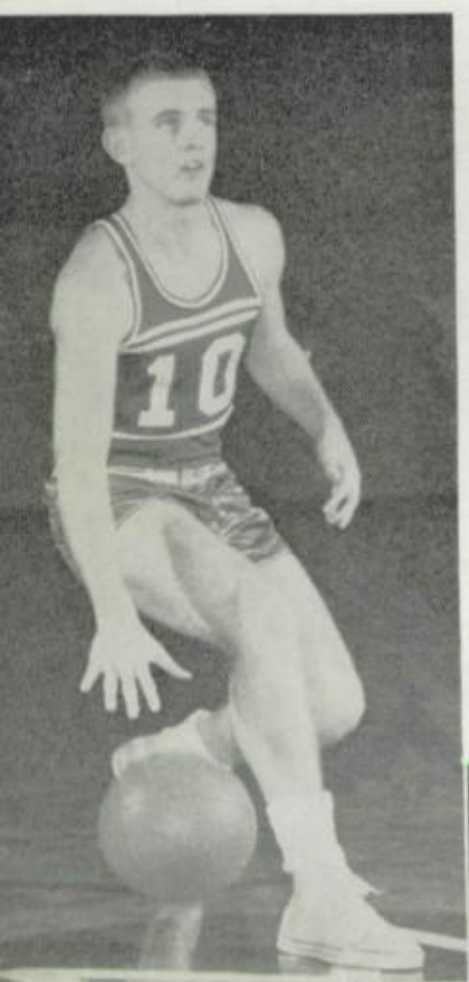

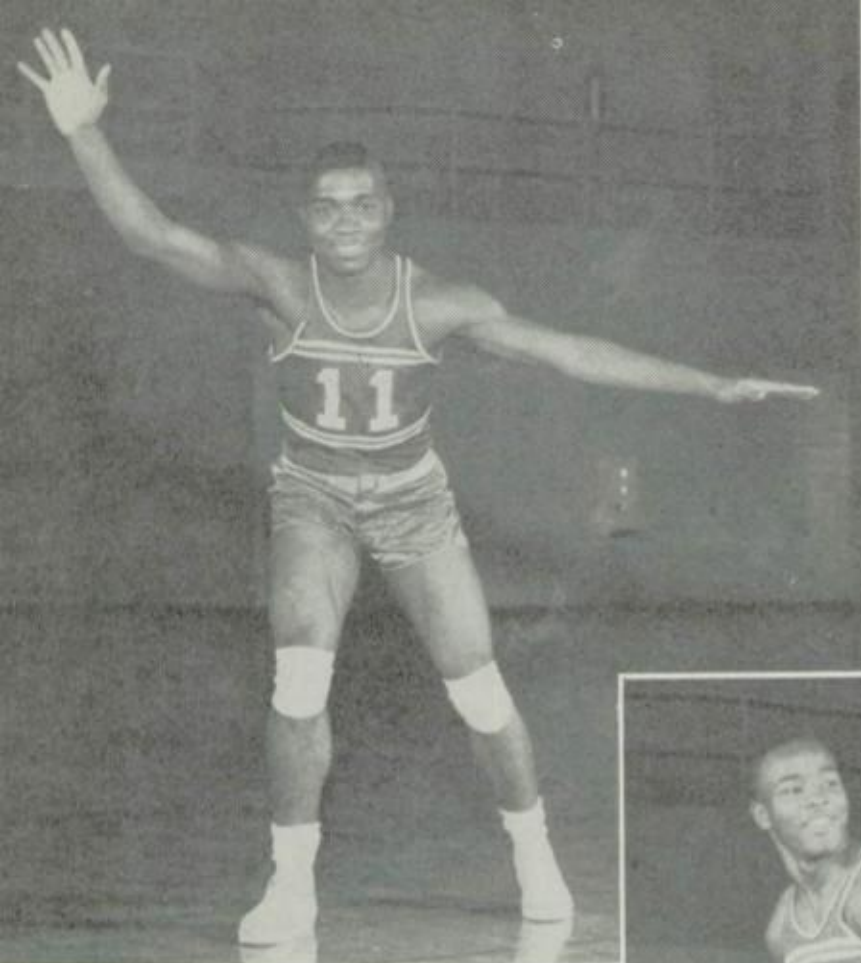

Coach Paul Walker revealed the new edition of the Middletown basketball squad opposing a very weak Columbus South team. Waldo Drake provided the only highlight for Columbus in posting 19 points as high-scorer of the game. With four new starters in the line-up, the Middies were very impressive in shooting for a brilliant 42 per cent. Freely substituting Walker had reason for much pride, for 10 of the 12 Middies broke into the scoring column, and 5 shot in double figures. The Middies led by 27 at the half and increased the margin to 49 making the final score 88-39.

Dayton Fairmont

The fourth quarter was the big one for Coach Paul Walker in notching his 250th win out of 290 games played since he became basketball mentor at Middletown High. Dayton Fairmont provided a better opposition than Columbus South, and the Dragons led most of the game. In the fourth quarter the Middies took off on a spree and came from the short end of a 40-39 score to the proper end of a 67-50 score. All nine of the Middies who entered the game entered the scoring column also, and Roberts with 19 points and Wood with 14 accounted for almost half the Middie total.

Springfield

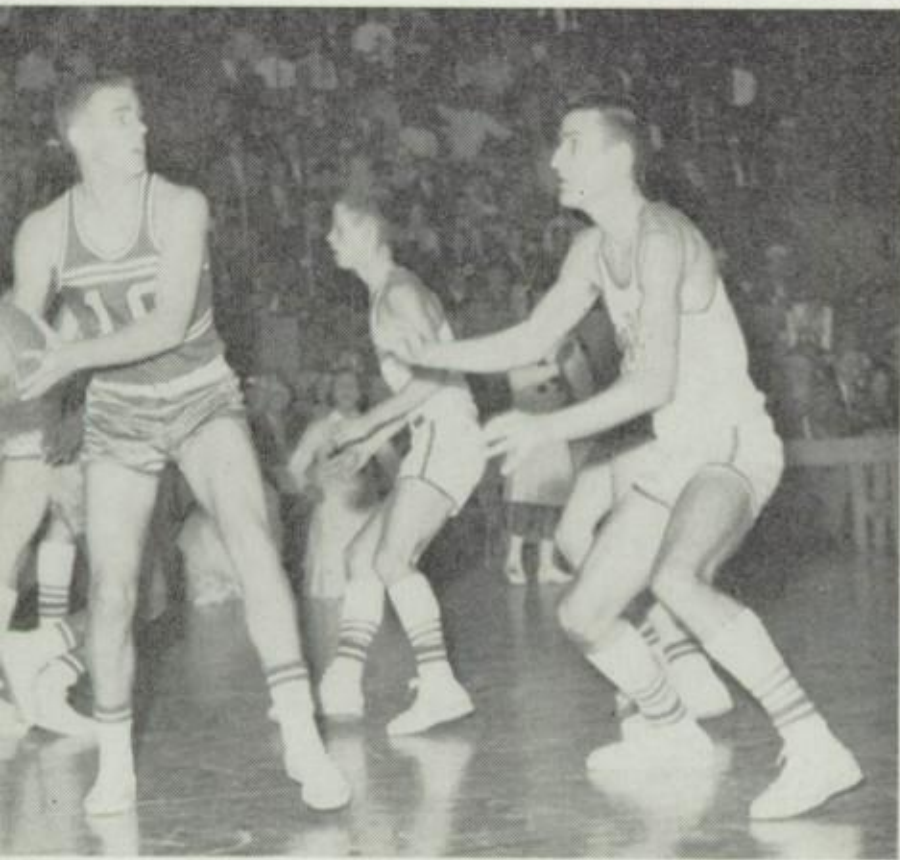

In their first Greater Ohio League game, the Middletown men of the round ball potted 22 points in each of the first two quarters and led 44-36 at the end of the half. Springfield got off to a slow start and scored only 8 points in the first quarter, but racked up a neat 28 in the second. Trailing by 8 the Wildcats slowly pulled to within 1 point of the locals. Going from a 67-66 lead, the Purple-White team racked up 12 points to Springfield's 2 and at the final buzzer the Middies had won 79-68 in posting their third win of the season. Mitchell was high-scorer for the Middies with 22.

Franklin

On the road the Middies traveled to neighboring Franklin, and returned with a 68-45 victory. Franklin was always threatening but came to within only two points of tying Middletown. The game was mostly a one-sided affair and the Middies led at the half 35-29. In the third quarter the Wildcats came to within two points of the Middies' total, but the Walkermen widened the gap to 48-38 before the three-fourths mark. Then catching afire, the Middies upped the score to 68-45 by the end of their fourth game and marked up the fourth win of the season.

Columbus East

For the second time a Columbus team ended the Middletown hopes for an undefeated season. The Middies staged a complete collapse in losing their first game of the current season. They led 20-12 at the end of the first quarter, but the men allowed the Columbus East Team a 2 point margin at the half. With the first-stringers fighting to re-establish their lead, the Middies saw a score of 44-36 registered on the score board with the Middies on the short end. East increased the margin to 14 points and easily surpassed the Middies 64-50. Roberts was high for the Middies with 27 points.

Jim Downing, surrounded by opposition, seeks to pass the ball down the floor.

Columbus North

For some reason the Middies were very bitterly eager to beat the Polar Bears of Columbus North. The North team, for the benefit of those unfamiliar with our basketball record, were the ones to end the Middies' winning streak of 1957-58. Paced by Roberts, Mitchell, and Downing, the Middies were very successful in revenging the heartbreak Columbus gave Middletown last year. North troubled the Middies greatly with its very good shooting and rebounding, but the Middies were on top at the free-throw line. Their ability in free throws furnished the 4 point margin which completed the Middies revenge in a 64-60 victory.

Portsmouth

Paced by Benny Roberts and Dale Wood, who racked up 34 points between them, the Middies rolled to a fairly easy victory over the Portsmouth Trojans. The Middies jumped from a 3 point deficit in the opening seconds to a 76-63 victory. In the first three quarters the Middies had little trouble and had run up an 18 point margin when Coach Walker started substituting. Ten of the eleven men scored and Roberts was high for the Middies.

Dayton Stivers

Going up against an eager Dayton Stivers team, the Middies saw Benny Roberts, their ace scorer, go all but scoreless in their 17 point victory. Faced without a leader the Middies turned confidently to guard Jim Downing for guidance. Downing responded to the call and chalked up 20 points to pace the Purple-White cagers to victory. Forward Dale Wood was brilliant in rebounding and also contributed his share of points. Every Middie scored at least two points in their seventh victory.

Bill Martins succeeds in stealing the ball from two of the opposing team.

Troubled by Francis Martin, an unidentified Big Blue player tries to pass off.

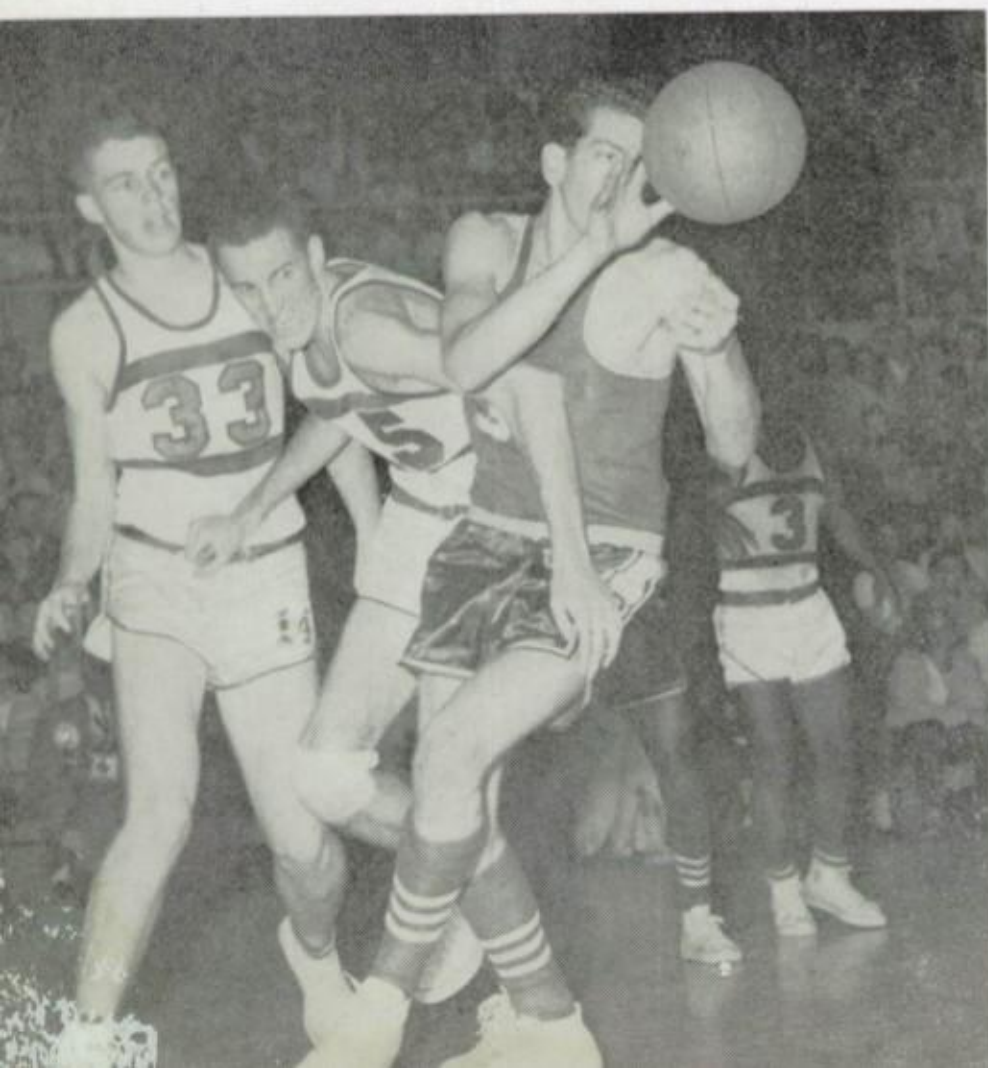

Dayton Roosevelt

Before one of two packed houses of the season the Middies met a highly talented, undefeated Dayton Roosevelt team on the home court. Troubled by the Roosevelt brilliant defense, but sparked by the ability of Gene Snow and A. C. Mitchell, the Middies were down by only 1 point at the half. In the second half the 'Teddies' offense came afire and widened the Roosevelt lead to 63-55, the final score. Greatly hurt by the 'Teddies' defense the Middies depended mostly on Gene Snow's shooting ability. Snow potted 22 points, but two of the Roosevelt players had 21 and 20 points to lead the 'Teddies' to victory.

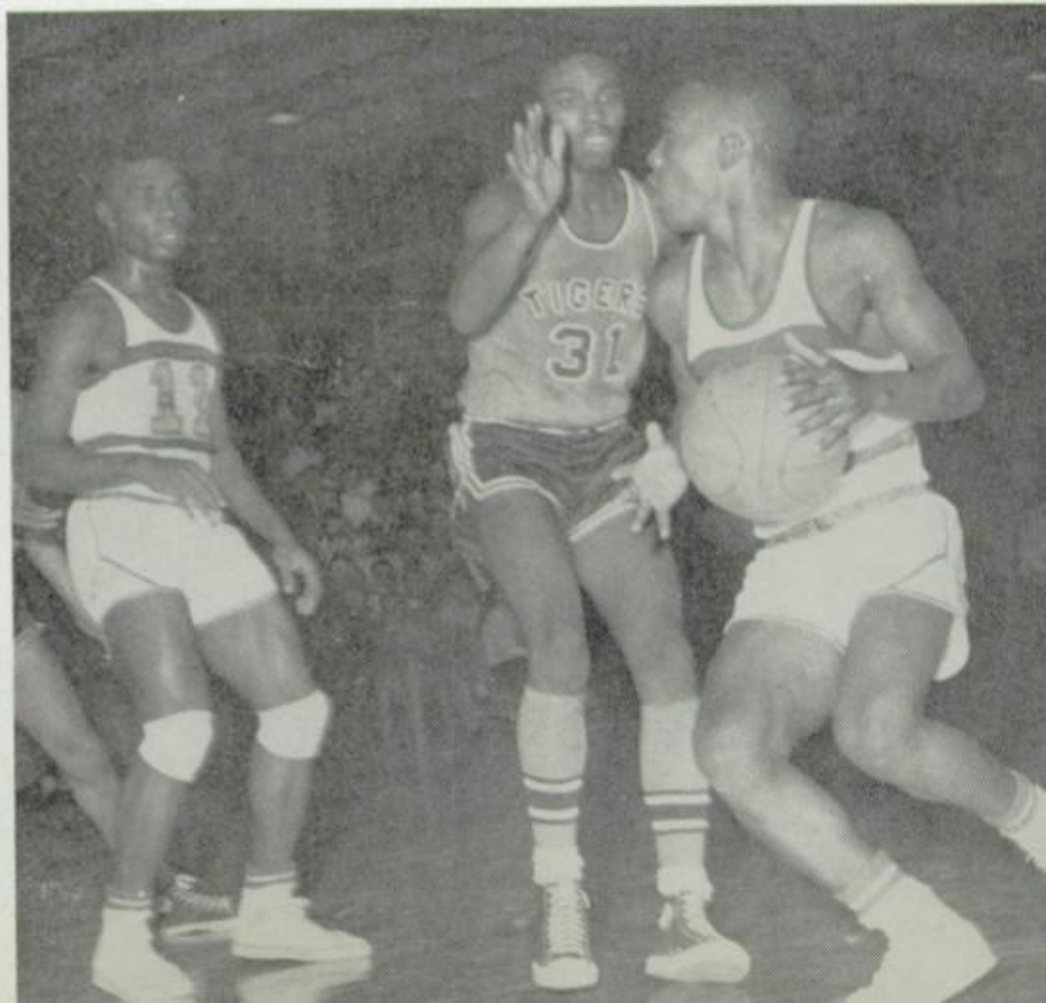

Lima

The Middies entered their eighth win in the record books by beating a Lima team which was equal in strength to that of the Middies. Lima was matched perfectly in field goals with the Middies, but the Middies were better from the free-throw line. In the end the Middies surpassed the Lima total by 8 points, but the game was very even. Roberts was high man, tied with center Gooding of Lima, with 20 points. Center A. C. Mitchell proved to be the vital spark-plug for the Middies with great rebounding in addition to scoring 13 points to give the Middies a 70-62 win.

As Francis Martin looks on, Dale Wood struggles to gain the ball.

Gene Snow attempts to pass into A. C. Mitchell.

Springfield

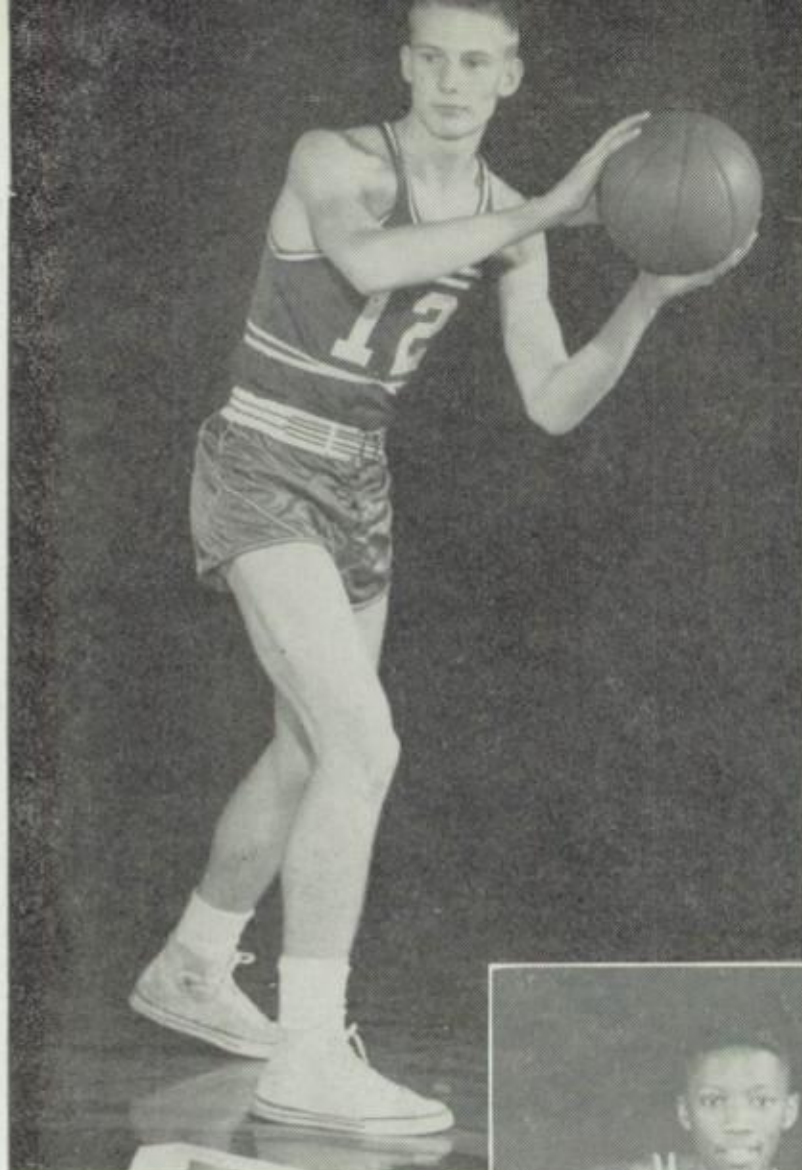

In the return game with Springfield the Middies connected on 24 field goals as to Springfield's 23, but the Wildcats connected on 5 more free throws than the Purple-White cagers. Although the Middies led most of the game, they were behind at the half but surged back to a 5 point lead at the three-fourths mark. The Wildcats in an attempt to revenge their earlier loss to Middletown then scored 23 points to Middletown's 15 in the final canto. The 8 point margin was sufficient to defeat the Middies 58-55. Berry of Springfield was high for the night, but Wood, Mitchell, and Downing of Middletown each contributed 15 points for the Middies.

Hamilton

As always Hamilton was ready to give their bitter enemies, the Purple-White cagers, a good game, and as always the Middies were more than ready to beat the Big Blue. Both teams fought valiantly and it took the Middies an overtime to overcome the Big Blue. Hamilton kept in the game from the free-throw line with 18 markers, as compared to the Middies' 8, but the Middies were 14 points better from the field. Thus, paced by Roberts the Middies won the first of two games with Hamilton by a score of 58-54.

Cincinnati Taylor

Dale Wood in his last season as a Middletown cager has proven to all his desire to be a starter for the Purple-White team. In the encounter with Cincinnati Taylor he potted 18 points to be second high-scorer for the Middies in their 76-47 win. Benny Roberts and Gene Snow also added to the Middies' 76 points and together with Woods scored 66 per cent of the total. The Middies trailed for a very short period and then blasted the game wide open. They led by 15 at the half and then widened the gap to 29 points at the final buzzer.

Bill Martins

Forward Dale Wood battles a Columbus North player for a rebound.

Dayton Wilbur Wright

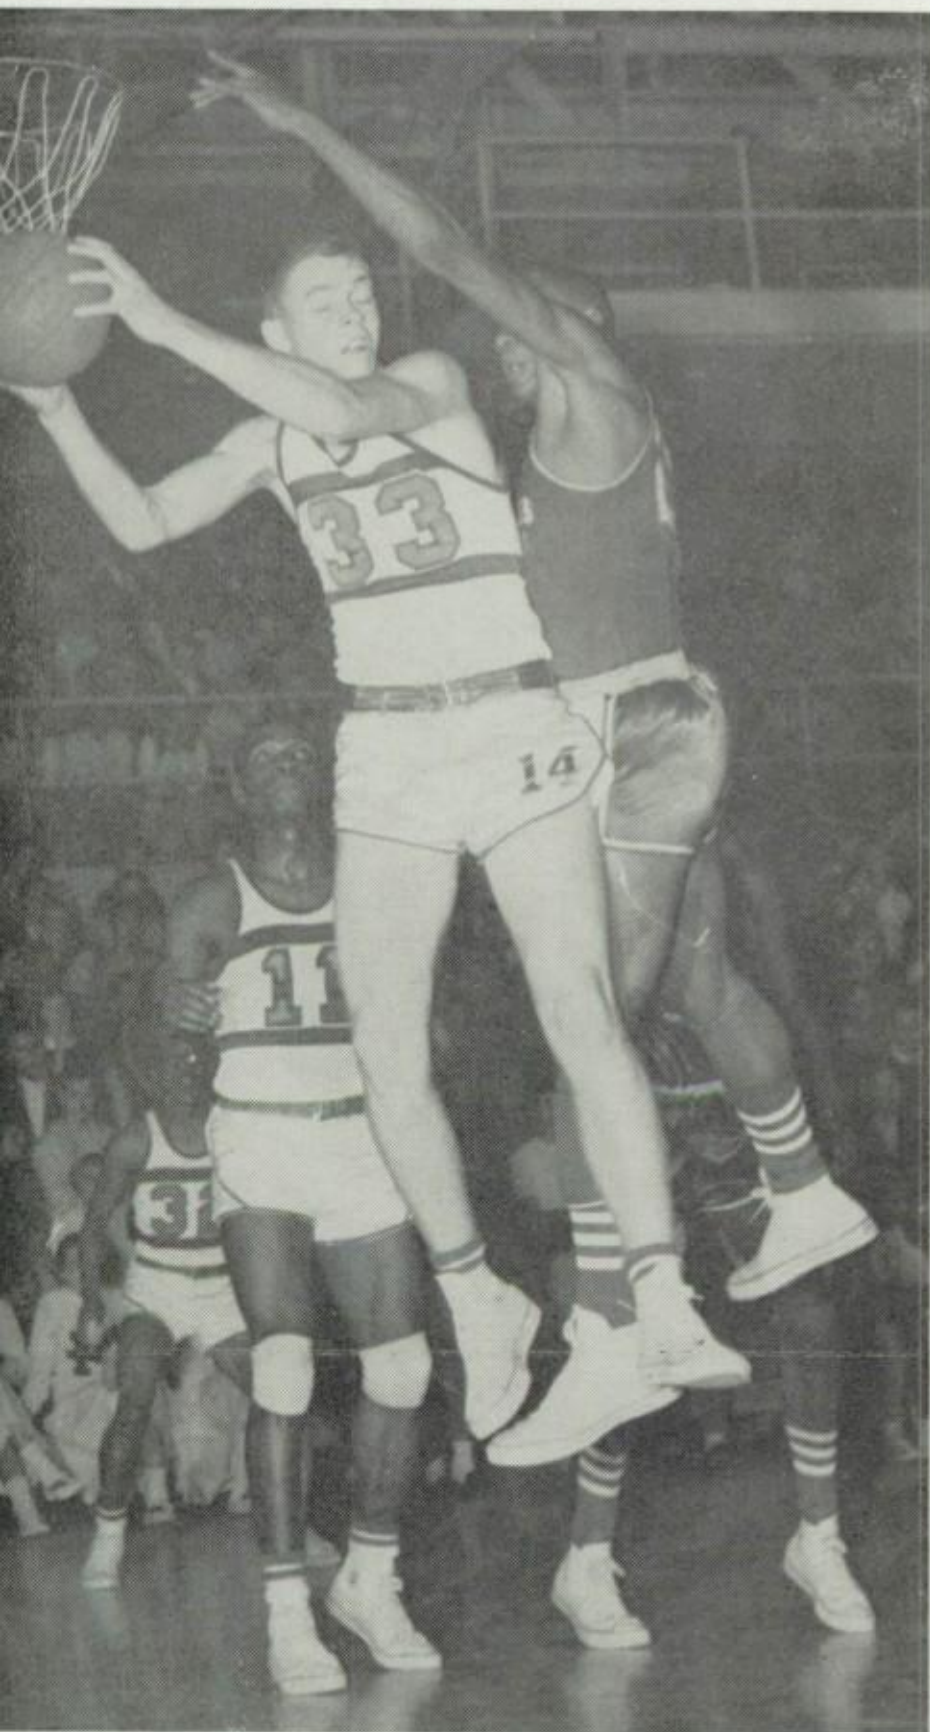

Foul shooting once again proved to be the deciding factor when the Middies put a Wilbur Wright team down to defeat by a four point margin provided by free-throws. The Dayton team led through the first half and on into the fourth quarter before the Middies finally found new life and surged out to a 58-54 victory. Paced by Downing, Snow, and Roberts, the Middies only hit 24 of 88 fielders. Downing was high with 17 points and Roberts and Snow each added 15 for the Middies. High man of the game was big 6'5" center Jennings of Dayton with 22 points.

Troy

In their 15th encounter the Middies played very poor ball in the first three quarters against a weak Troy team. The lead wavered back and forth in the first half, and the Middies traveled to a locker-room pep-up with a 1 point lead. Trailing with the score 37-31, the Middies suddenly came to life. In the final canto the Middies were forced to out-score the Trojans 22-8 to edge out the 53-45 victory.

Bill Martins takes aim at the basket for one of his sensational shots.

A. C. Mitchell watches as Francis Martin pulls in a rebound.

Portsmouth

Forwards Roberts and Wood provided the needed punch to defeat the Floodwall City basketballers and once again pushed almost half the Middies' total through the nets. As a team the Middies shot at a 34.1 per cent clip and were quite good defensively in holding Portsmouth to 41 points. Only in the opening minutes were the Middies' chances doubtful, for they ended the first quarter behind by 1 point. The Middies then spurted to an 8 point half-time lead and then went on to win 74-41.

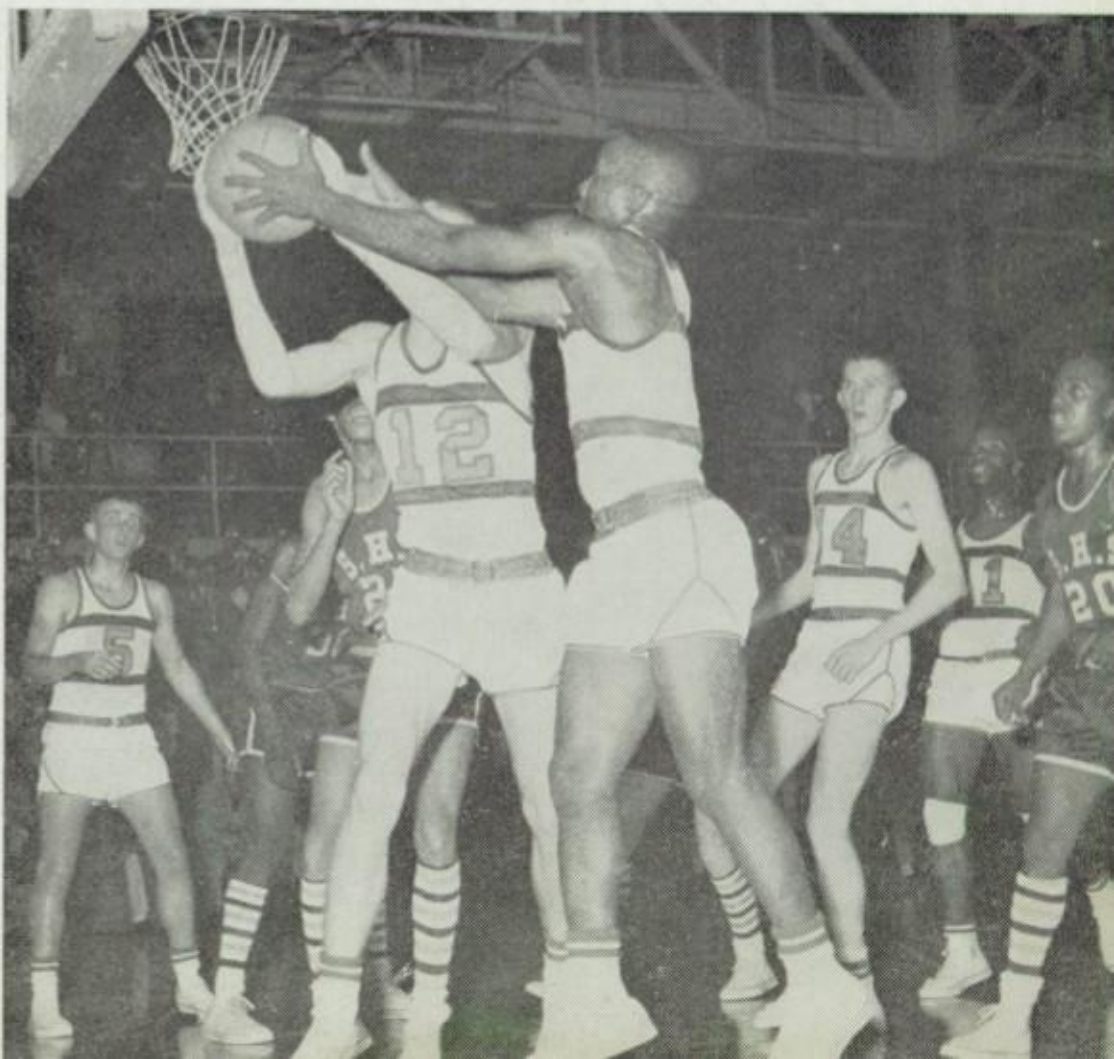

Lima

The Middies were only equal in strength to Lima in the first meeting of the two teams, but this time they romped the Lima Spartans 80-69. The Middies hit the basket with an amazing 49.3 per cent accuracy from the field, and 70 per cent from the free throw line. Jim Downing came through with a brilliant 31 point effort, and Roberts and Wood added 29 more. The entire game was one of very brilliant and accurate shooting by both teams, and the Middies were truly great.

Hamilton

In their final regular season game the Middies bowed to the Big Blue. Hamilton led most of the way, trailing at the half by 2, with 37 seconds left in the game, the Big Blue cagers had a 9 point lead. The Middies were the ones to put on a courageous show this time, as they dumped in 3 field goals in 37 seconds to come within 3 points of tying Hamilton. The final score was 52-49. Thus ended the rivalry between Hamilton and Middletown in basketball, and now there remains only memories of the great tradition.

Bill Martins and Gene Snow team up to grab off a rebound.

Harrison

The Middies found themselves playing in Oxford for the district tournament, instead of in the Dayton districts as in years before. They opened the tournament season in great style by defeating a weak Harrison squad, 72-42. Bill Martins paced the Middies in winning with 16 points and Roberts and Wood each added 14 more.

North College Hill

In the second of the tournament games the Middies started three bench-men. In the middle of the first quarter the Middies were trailing 6-9. Walker then inserted his two veteran guards, Downing and Snow. The Middies then broke the game wide open to lead 75-53 at the final buzzer.

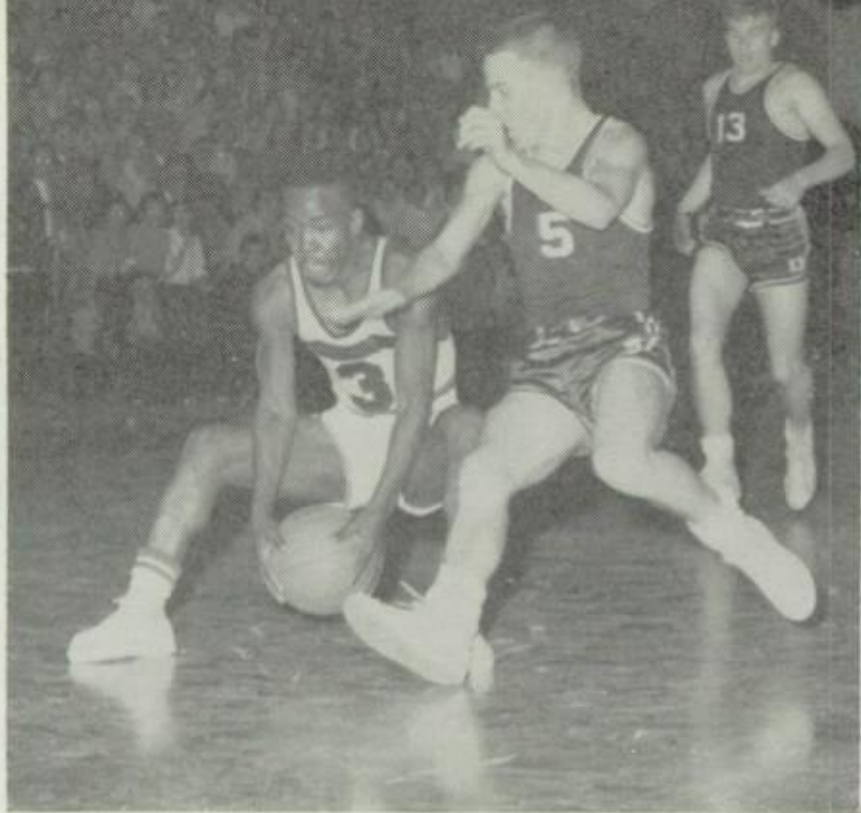

Greenhills

The Middies were successful in defeating Greenhills, but they had to fight bitterly all the way. The Walkermen led by only one point at the half-time buzzer. They again attempted to pull away in the third canto, but they ended the period trailing 39-38. In the fourth canto, led by Jim Downing and Gene Snow who quickly potted two field goals, the Middies pulled away to win 62-54.

District Tournament

The jubilant Middies celebrate after winning the Oxford District Title.

Guard Gene Snow steals the ball from a baffled opponent.

Wyoming

The Middies had little trouble in doubling the highly lauded Wyoming Cowboys' score 82-41. The Middies were brilliant both defensively and offensively and completely dominated the one-sided game. Two Middies, Downing and Wood, scored all of the Middies' 20 first-quarter points, but then the rest of the team caught fire and romped on to victory.

Princeton

The Princeton cagers tried desperately to knock the Middies out of the tournament. In the first quarter the Princeton team kept the ball the majority of the time and succeeded in holding the Middies to 4 points as the canto ended 4-2. In the second quarter the scoring pace picked up slightly, and at half-time the Middies led 16-15. The two teams continued swapping point for point until the final period. Then the Middies scored 7 straight points to lead 40-32. Princeton fought back, and with seconds remaining the score was 42-41. Jim Downing connected on two foul points, and the game ended 44-41.

Regional Tournament

Scrappy Gene Snow goes up high to drop in two points.

Xenia

The Middies once again reached regional play-offs by defeating a very good Xenia team 79-67. The Middies led most of the way, bursting out to a 5-0 lead in the first quarter. Xenia came right back, and at the end of the first canto the score was 15-12 with the Middies on top. Although at half-time the Middies led 36-27, in the third quarter Xenia came within 1 point of tying the Middies. In the fourth quarter the Middies surged to a 79-67 win. Gene Snow was high with 21 points, while Roberts tallied 20.

St. Xavier

The Middies utilized their 40.6 percent shooting to defeat the scrappy St. Xavier Bombers in the regional finals. The Purple and White led all the way with four of the Middie cagers scoring in the double figures. Downing and Mitchell each racked up 17 points. Thus on March 10th the Middies found themselves packing for the trip to Columbus for the state finals.

Roberts tries to outreach Salem player as Martin looks on.

State Finals

Even though their boys lost, the Middletown fans turned out in great numbers to welcome home their heroes. Little did many believe that they would get past the regionals, and they felt that these boys deserved great praise to be one of the four teams to reach the State Finals. This is true, for the Middies were great scrappers and comeback kids, and they finished the season with a good 21-5 record.

Gene Snow retrieves ball at a critical moment.

Salem

For the second straight year the "Middie Magic" abandoned the Purple-White cagers in the semi-finals of the state championship actions. This time the Middies again led through the majority of the game, as they were out in front for all but 41 seconds of three quarters against Salem. In the last 41 seconds of the third quarter the Salem quintet surged to a 52-50 lead and they held the lead all the way in the last canto. The final score was Salem 68 - Middletown 65. Percentage-wise the Middies overshadowed the victorious Salem squad, hitting for 46.4 per cent. From the foul line the Salem team surpassed the Middies by 7 points, and thus they cut the Middies out of the finals.

Junior Varsity Basketball

OUR MIDDLETOWN J. V. basketballers, in winning 10 and losing 8, showed much improvement over years before. The J. V.'s were predominantly sophomores, as compared to the other Greater Ohio League J. V. squads which were composed mostly of juniors. Thus these backbones of future Middie squads have gained much valuable experience. The J. V. lettermen were Ken Bryant, Al Bigby, Bill Crowe, Jim Gillis, Roger James, Phil Kincaid, Don Dykes, Barry Pendergrass, Jim Hartman, and Bill Triick.

JAY VEE CHEERLEADERS: 1st Row — Martha Grine, Verna Highley, Betty Wilson, 2nd Row — Connie Ross, Linda Sue Wills.

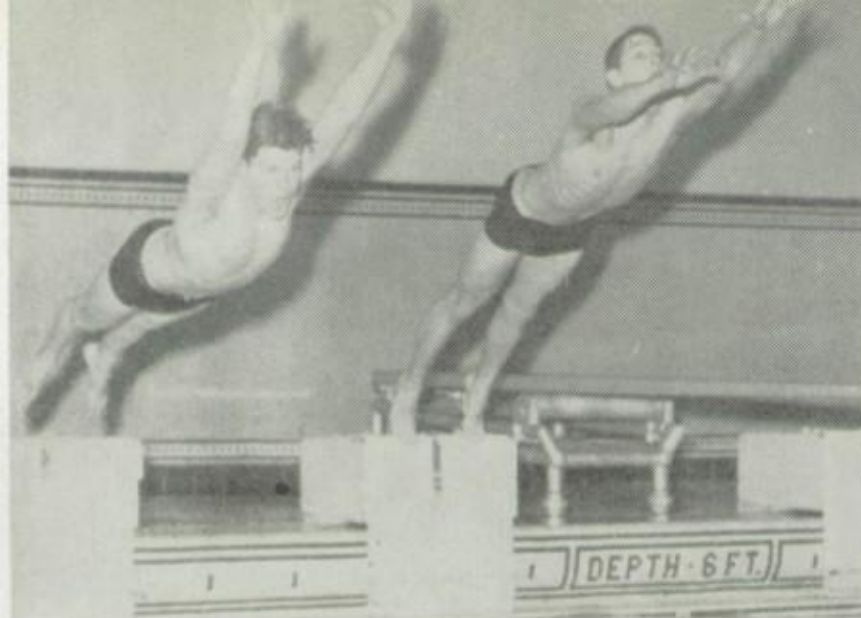

THE VARSITY CHEERLEADERS were chosen in the spring of '58 by the Student Council and members of the faculty. Either during football season or basketball season the squad, composed of five juniors and one senior, could be found cheering the team to victory. The girls also aided in preserving school spirit by cheering at various pep assemblies throughout the year.

Cheerleaders

THE JAY VEE CHEERLEADERS were chosen in the fall of '58 by the varsity cheerleaders and the director, Miss Patricia King. This squad cheered only for the junior varsity basketball team. The group was composed of five sophomores.

THE 1958 CINDERMEN established a highly successful season record of six wins and one loss. This record, a .857 percentage, represents one of the Middies' finest season averages. Predominantly seniors, the varsity squad was very strong with senior men holding top positions in the dashes, low and high hurdles, and other running events. The Middies of 1959 will probably be somewhat weak in these events, but there will be some juniors of high quality returning in field events, such as the high jump, broad jump, and pole vault. This should compensate for the weakness on the cinders and provide the Middies with another winning season. The two highlights of the season came when the renowned Jerry Lucas of basketball fame reestablished himself as record holder in the discus division. He threw the discus some 162 feet, breaking his own record of 158 feet. A. C. Mitchell tied his record of 5 feet 10 inches in the high jump.

1958 Baseball

The highlight of the baseball season came in the first game, when Charlie Fuller pitched a no-hitter over Franklin on April 1, 1958. The score of the game was 2-1 in favor of the Middies. Playing in the Dayton District baseball tourney the baseballers defeated Centerville 3-2 but lost out to Dayton Chaminade in the quarter-finals. The final season record under the coaching of Deacon Diehl was 5 wins, 4 losses and a tie. Playing key roles for the team were Charlie Fuller, Dave Watson, Larry Emrick, Jac Kendall, Charlie Hale, Dave Cohen, and Frank Martin.

Mr. Avery Harvill

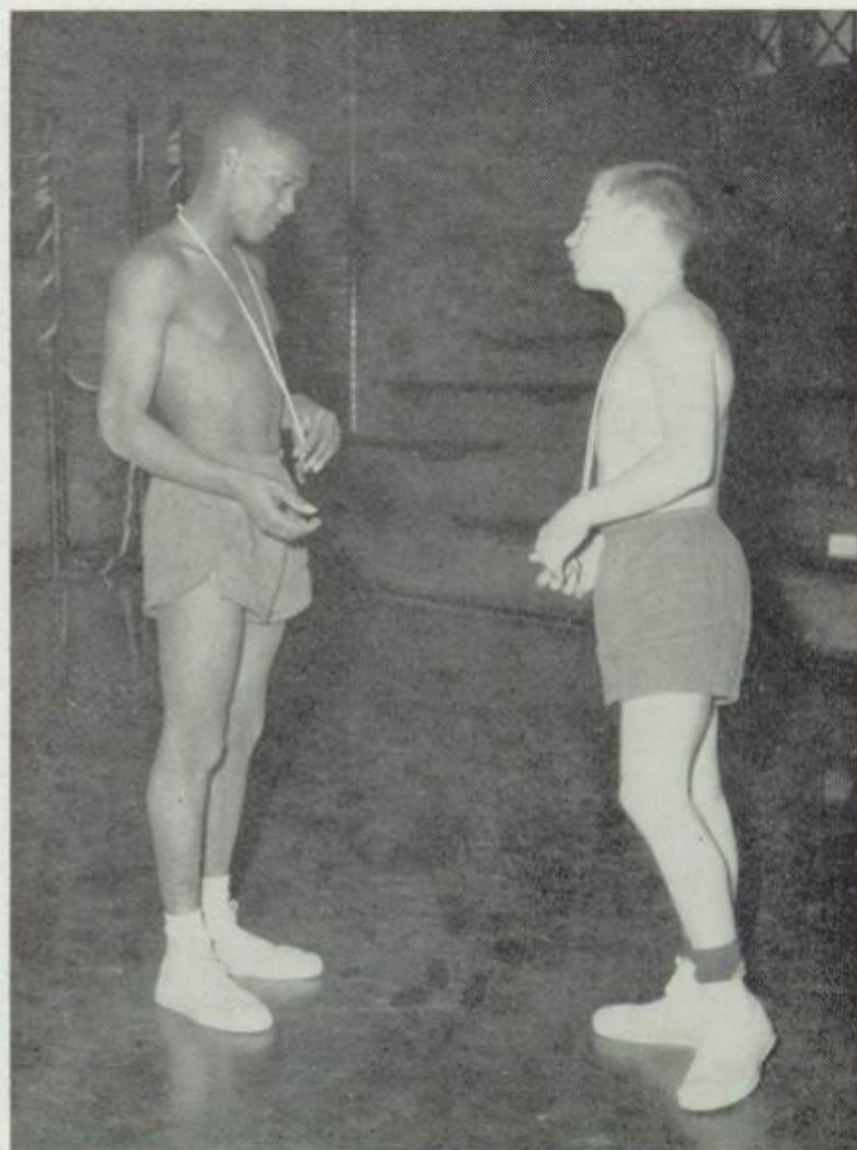

The fall intramural program started off with the annual touch football program. The program lasted for six weeks until bad weather forced the boys to quit.

The main program during the winter was the basketball tournament. Mr. Harvill held three leagues a week and carried them for several months. The turnout for basketball was large and quite a tribute to Mr. Harvill's fine work.

Intramurals

The scenes in Middletown High's boys' gym have been quite different this year from the last two. This big change was due to the fine direction and management of Mr. Avery Harvill. Mr. Harvill, hailing from Georgia, came to Middletown after obtaining both Bachelor and Master degrees in Education. He attended Georgia and Ohio State Universities. Much has been said about the physical education directors of Middletown in the past, but truly Mr. Harvill ranks high up at the top. The fine intramural program he designed and the interest he created in his gym classes were splendid achievements.

Virgil Baker and Chuck Stevens confer on the rules of the game.

Intramurals

In the intramural basketball season, the Lancers ran up a record of nine victories and no losses, while the Hawks established a second best record of seven wins and two losses. The Lancers won both of their games against the Hawks, the second of the two in tournament play by a score of 54-42.

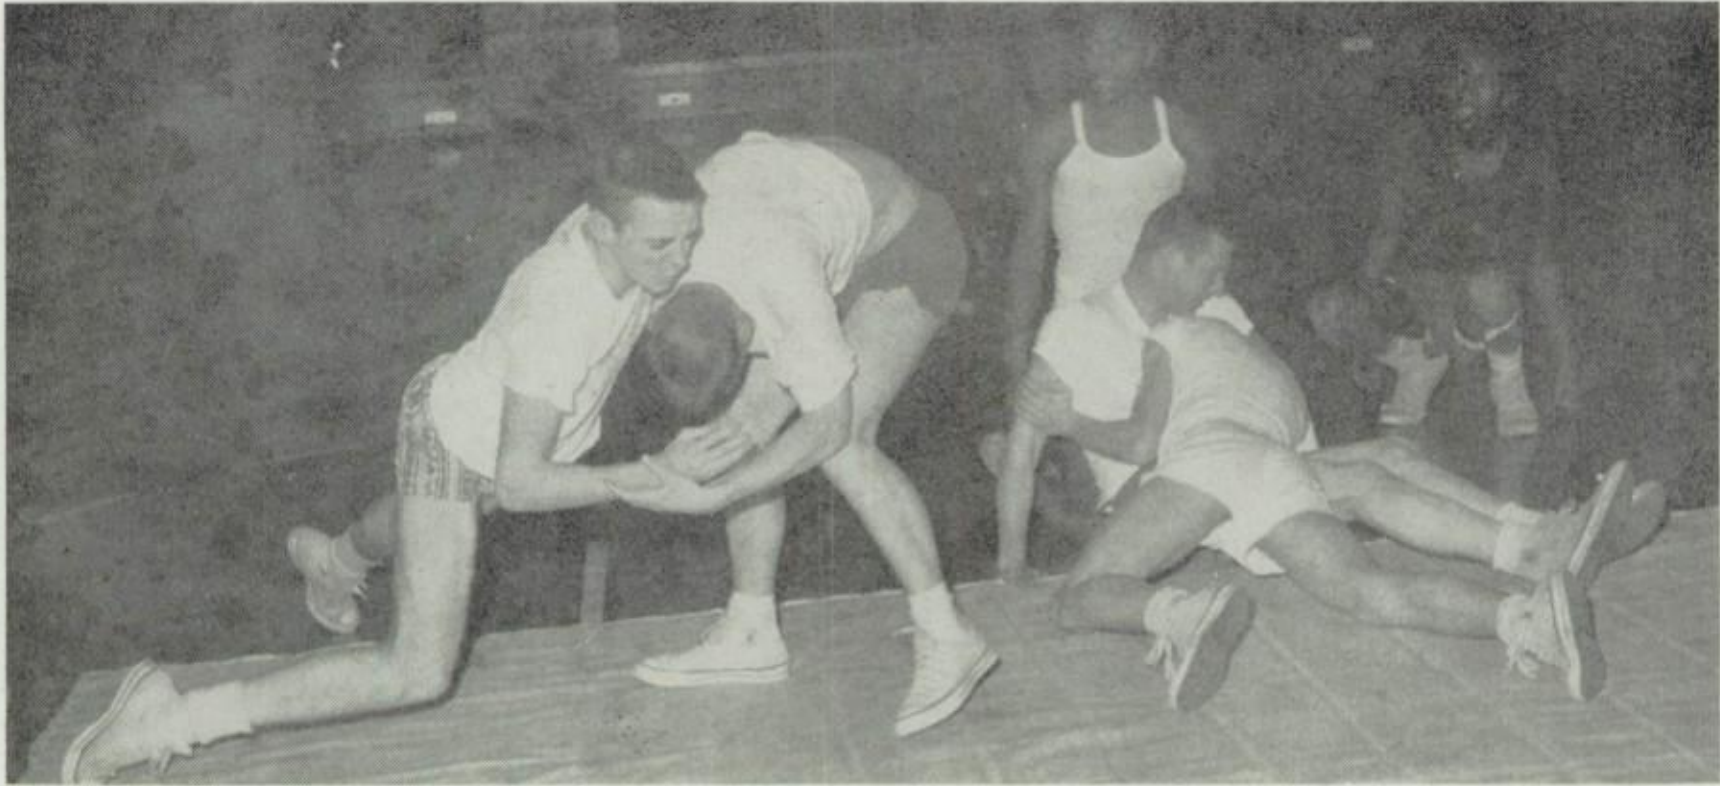

LANCERS

Kneeling — Denny Mardas, Ted Traylor, Lennie Mullen.
Standing — Arba Thomas, Jim Forster, Jan Kneppshield, Jerry Wells.

HAWKS

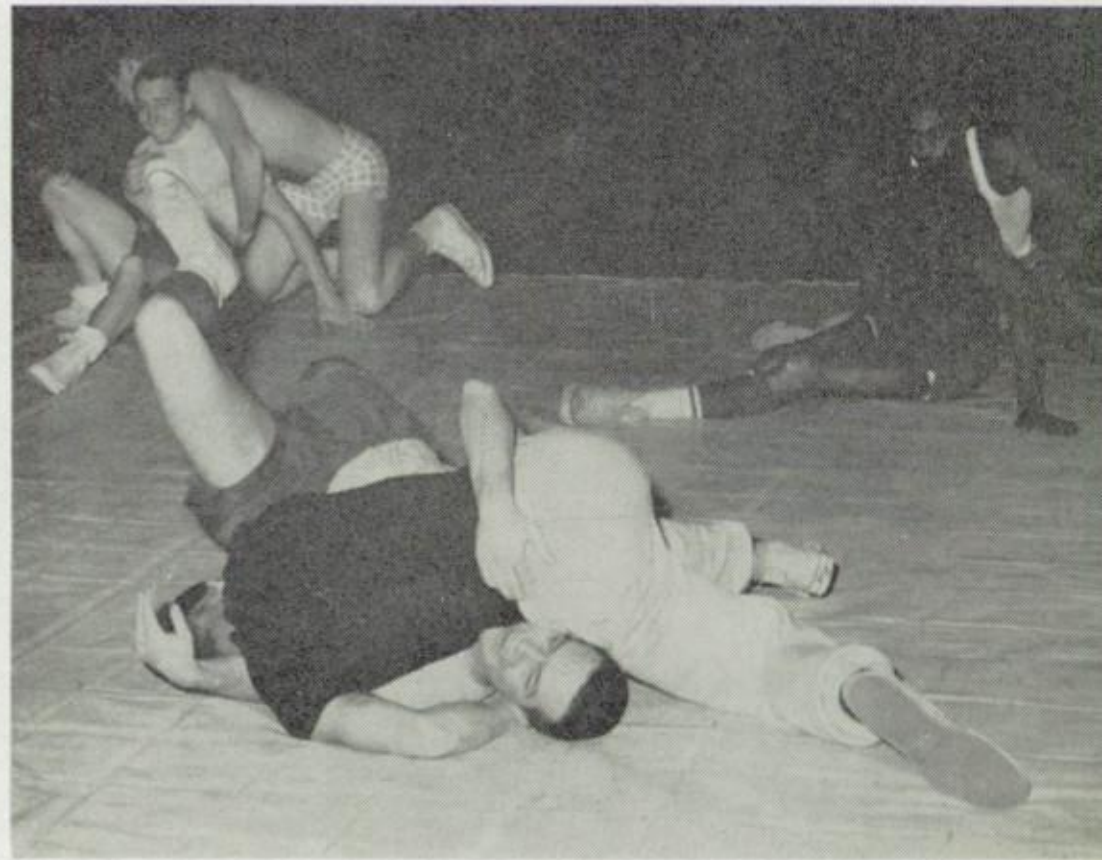

Kneeling — Daniel Hall, Leroy Roberts, Phil Johnson.
Standing — Henry Watson, Curtis Culbreath, Luke Snow, John Barnes.

Wrestling

Wrestling, a sport that began last year in gym classes at M.H.S., was continued this year intramurally. A wrestling tournament was held and the winner was decided in each of the weight classes. If the interest in this sport continues to grow, it will soon become a varsity sport.

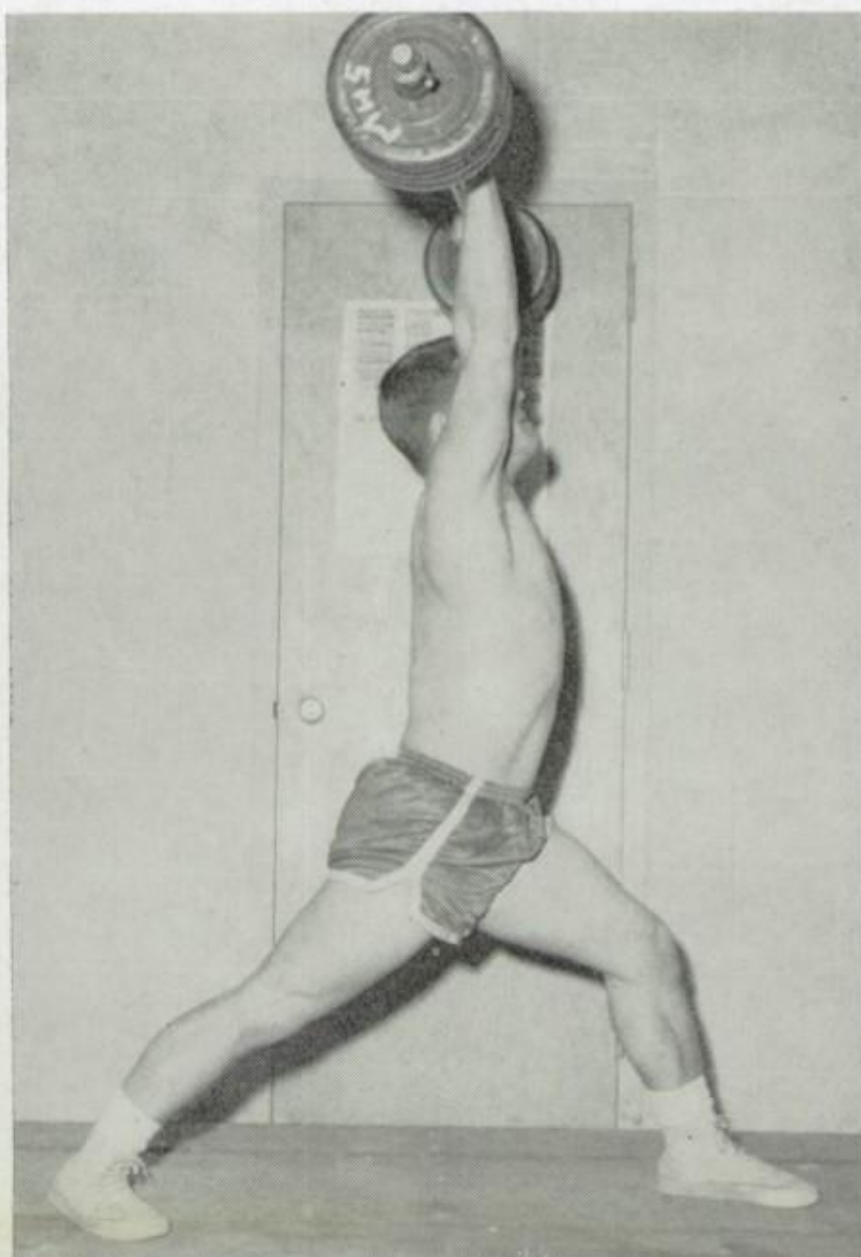

1st Row — Roger Lawson, Jim Robinson, Sam Wertz, Otis Martin. 2nd Row — Cleward Henderson, George Lee, Tom Williams, Rodney Jones.

A new activity, weightlifting, began at Middletown High this year. The interest in the sport was so high that a weightlifting tournament was held. Practice sessions were held two nights a week during the basketball season.

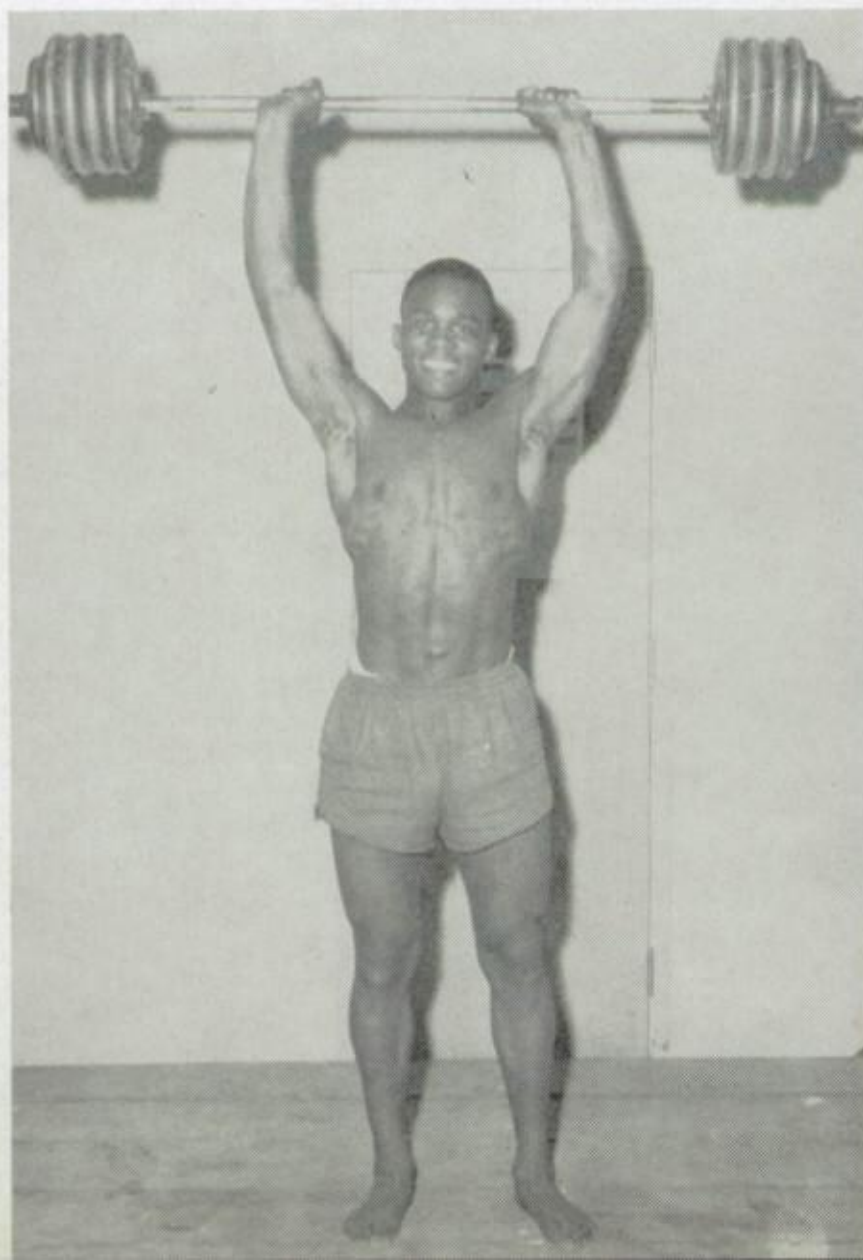

Along with all these sports Mr. Harvill gave instructions in trampoline, tumbling, volleyball, and table tennis.

Intramural basketball was managed by Mike Kahny this year. The program ran for five weeks, and there were eleven teams which participated. At the end of the season the Wednesday and Monday league winners held a final playoff.

G. A. A.

THE G.A.A. BOARD is made up of officers and managers of the various intramural activities. The board sets up a program designed to promote the athletic interests of M. H. S. girls. An annual Mother-Daughter Banquet was held in the spring with the outstanding G.A.A. members receiving awards. This year the G.A.A. sponsored a dance called "The Blue Mountain Blast." At the dance "Ma and Pa Kettle" were chosen from ten candidates to reign over the evening. Mike Kahny and Dave Carmody were elected queen and king.

G.A.A. BOARD *Standing — Kay Monroe, Robin Velte, co-chairmen of the constitution; Georgia Storey, treasurer; Martha O'Neil, secretary; Kay Martin, vice-president; Betty Webb, president. Sitting — 1st Row — Beverly Kemp, hiking; Pat Wendt, badminton; Betsy O'Neil, swimming; Helen Lowry, social chairman. 2nd Row — Sandra Strassburger, horseback riding; Mike Kahny, basketball; Mary Bell Robinson, table tennis. 3rd Row — Marilyn Marshall, publicity chairman; Virginia Donahue, volleyball; Faye Ferguson, golf. TENNIS: Linda Nein, Ethel Schaen, Nancy Sixt, Betsy O'Neil, Helen Lowry, Ann Lawson, Marcia Lowe, Suzanne Newton, and Linda Kontnier.

THE TENNIS TEAM OF 1958, coached by Miss Ann Sweeney, had an undefeated season. The team was led by Linda Nein, an outstanding player. Also in the singles were Ann Lawson and Helen Lowry. The doubles were Ethel Schaen, Nancy Sixt, Marybelle Figley, Marcia Lowe, Betsy O'Neil, and Suzanne Newton. The girls had little difficulty in downing their opponents. Next year's team will be hard to beat, for these girls were all sophomores.

The Middiettes

This year the Middiettes had both varsity and junior varsity teams. The entire squad was composed of seven seniors, eight juniors, and four sophomores, who were chosen and coached by Miss Pat King. The teams, attired in new uniforms, played both in and out of town games. Both the varsity and the junior varsity were defeated two times each.

This girl had 365 dates last year.

. . . And what's more she has a full schedule ahead for this year too. Every evening she's "already made arrangements" for a few minutes of her time while she relaxes with her "steady" — THE MIDDLETOWN JOURNAL.

She's not unusual. Nearly 75,000 others also read the JOURNAL every day.

So if you want a good "date," before your special "date," be sure you're part of the large family of JOURNAL subscribers.

The Old Frontiers Are Still New

The rumble of Conestoga wagons moving Westward was still the "new sound" of the era, when Middletown's oldest industry, The Sorg Paper Company, opened its doors in 1852.

The Miami Valley was then one of the "new frontiers" that lured the rugged pioneers away from their civilized comforts in the East to seek their fortunes in the West.

Today — 107 years later — with a modern industrialized nation stretching from coast to coast, there are no new physical frontiers to conquer. But the new frontiers of the mind — opened up by the fantastic advances of science, education, and industry during the past century — are unlimited and everywhere.

By applying the knowledge you have gained thus far . . . and that which you will add to it later . . . You need never worry about finding new frontiers for your talents.

Stand where you are, in Middletown, reach out with your mind and grab them.

1958 Gardner Scholars with Mr. Colin Gardner: Stephen Geckeler and Mary Kaye Augspurger of Middletown; and Richard Dallow and Winston Gould of Cincinnati.

TOPS IN OUR BOOK!

We call them Gardner Scholars. There are 36 of them now . . . wonderful young men and women from Middletown and Cincinnati. We are glad we can help them continue their education with a \$500-a-year scholarship.

Four Gardner Scholars are chosen from high school graduating classes each year. They are judged by their character, scholastic achievement, promise of future leadership, and financial need. And the competition is mighty keen!

The Gardner Scholarship Fund is one way we have shown our interest in the youth of today . . . the citizens of tomorrow. To all graduates, we extend best wishes for future success.

COMMENCEMENT?

Some may ask questioningly, "Why Commencement? I am not commencing anything; I have just finished my education, or at least a good part of it." You will find that your education is only a foundation for the life which you must build.

In building this life, you will need cornerstones upon the foundation. Lay these cornerstones early in life, and may we suggest these four:

Faith	For, as Matthew said, "Seek ye first His kingdom and His righteousness."
Truth	For, as Masefield said, "Man with his burning soul has but an hour of breath to build a ship of Truth, in which his soul may sail — For death takes toll of beauty, courage, youth. Of all but Truth."
Wisdom	For, as Dickens said, "Make Wisdom your provision for the journey from youth to old age, for it is a more certain support than all other possessions."
Love	The second Commandment is to "Love thy neighbor as thyself."

A life built upon these cornerstones, on a foundation of knowledge, will never suffer for lack of a proper . . . Commencement.
